Training
Tosha Gonsoulin, HCC

To provide campus support to ensure all students are successful through the planning and implementation phase.
HISD/CTE

Empowerment
Lone Star Air Systems/GHBA

I would like to see students gain a career set of skills that helps to change the trajectory of their lives and offers their families a sound financial income.
Filecha Lucas. HCC

Provide a path for students from high school thru college to acquire the technical skills to enter the workforce with confidence. This will require HISD/HCC to deploy a program of excellence that connects academic with industry partnership.
Feddel White, HCC

HCC will be a leader in providing high quality, innovative education leading to student success and completion of workforce programs, to better their futures through employment -HCC
