Students entering 9th grade beginning the Fall semester are eligible to apply to the Phillis Wheatley Early College P-TECH. P-TECH allows students an opportunity to graduate with an associate degree and a high school diploma. As with magnet schools or other early college programs, P-TECH eligibility is not based on state assessment scores, discipline, history, teacher recommendations, minimum grade point average (GPA) or any criteria that create barriers for student enrollment.

Parents will be notified concerning an upcoming summer student orientation and forthcoming parent meetings. For additional information please contact Ms. Thomas or Ms. Terrell at 713-671-3900.

Thank you.
