Expectations for the Student
Magnet Students should demonstrate commitment to the magnet theme  
by the completion of all assignments and course meetings as required. They will contribute to sustaining a  
school environment that promotes mutual respect and supports the success of others as outlined in the student code  
of conduct.

Expectations for the Family
Family engagement and partnership is required for the Magnet educational experience. Families are expected to  
be responsive to communication from the school regarding academic progress, attendance, and behavior.

Continuation Requirements

• Students are required to achieve one level of progress in acquisition of second language  
• Students must show satisfactory year-to-year growth (measured by BOY, EOY)

Students who do not meet program continuation requirements, are placed on an HISD Magnet Growth Plan for a  
minimum of one grading cycle. The growth plan is intended to help students and parents successfully meet program  
expectations. A growth plan committee comprised of campus professionals and parent(s) will evaluate progress on this  
plan at the end of the specified time period. The growth plan is reviewed each grading cycle that it remains in place and is  
used to determine if the student should continue in the Magnet program the following school year. All Magnet transfers are  
for one year and may only be denied at the end of the year.

Please Note:  
• Students cannot be placed in the regular educational program on the same campus where they have a Magnet  
  transfer.  
• All students are limited to a single transfer each school year.  
• Should the child choose to leave the program voluntarily before the end of the school year, he or she may return only  
  to their zoned campus. A voluntary exit form must be completed if a student withdraws from the program before the  
  end of the year.

We agree to adhere to the program expectations and policies as outlined in this agreement. All  
signatures are required for this agreement to be active. Student signature is only required for students in grades 6 and above.
