Houston Independent School District

186 Robinson Elementary School

2022-2023 Campus Improvement Plan

Accountability Rating: B

Distinction Designations:
Academic Achievement in Science
Mission Statement

At Judson Robinson Elementary we are committed to preparing our students to serve as both self-advocates in a global market and change agents in an increasingly complex society. By taking an “all hands on deck” approach to whole-child development, we emphasize a growth mindset and an appreciation for diversity, thus enabling students to compete in the academic and career paths of their choice.

Vision

Every student matters and every moment counts.

Value Statement

We value all students, staff, parents and our community contributions and ideas to work together for the success of Robinson Elementary.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Robinson Elementary serves over 490 students on the far East side of HISD.

During the 2017-2018 school year Robinson was displaced due to damages sustained to the community during Hurricane Harvey. During the 2021-2022 school year we have been faced with the opening of a new charter school that provides transportation to students, which has been a factor in lower enrollment this school year.

The ethnic populations which make up the student body are 79% Hispanic, 20% African American, and 1% White.

The student attendance rate is 93.4%

58% of the students are English Language Learners.

Students served by Special Education total 9% and 98% of students are economically disadvantaged.

Demographics Strengths

The demographics of the staff mirror the demographics of the community.

Our amount of at-risk students is consistent.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: Due to Hurricane Harvey in 2017, the Robinson community has continued to struggle to re-build. There are still vacant apartments that have not been re-built as well as business establishments that have closed down indefinitely, impacting job opportunities for the community. Enrollment has also decreased due to these circumstances as well as the opening of new charter schools within the area. Root Cause: Lack of housing and job opportunities for the community as well as charter schools offering transportation and other student incentives to recruit and retain our students.
Student Learning

Student Learning Summary

Students at Robinson Elementary are experiencing gaps in their learning in the content areas of Reading and Math. STAAR test results for the 2022-2023 demonstrate students are grasping some concepts but continued support is needed to provide students with the educational opportunity to increase scores to show mastery. Lessons must be aligned and instructional delivery has to be well planned to target specific skills.

STAAR Results- 87% Rating B with a Science Distinction. Grade 3- Reading 57%(Meets/Masters), Grade 4 Reading 29% (Meets/Masters), Grade 5 Reading - 55%(Meets/Masters)

Grade 3- Math 43% (Meets/Masters), Grade 4 Math 36% (Meets/Masters), Grade 5 Math- 40%(Meets/Masters)

Overall Reading- 64%Approaches, 30%Meets, 18%Masters

Overall Math- 63%Approaches, 29%Meets, 10%Masters

Overall Science- 34%Approaches, 16%Meets, 3%Masters

TELPAS

Grade 1- 57% Beginning, 36% Intermediate, 7%Advanced

Grade 2- 26% Beginning, 46% Intermediate, 23%, Advanced, 6% Advanced High

Grade 3- 35% Beginning, 38% Intermediate, 22%Advanced, 5%Advanced High

Grade 4- 2%Beginning, 36% Intermediate, 40% Advanced High, 22% Advanced High

Grade 5- 5% Beginning, 53% Intermediate, 37% Advanced, 5% Advanced High

Student Learning Strengths

African American Students in Reading

Special Education in Reading and Math

Special Education in Student Success Status

TELPAS
Problems of Practice Identifying Student Learning Needs

**Problem of Practice 1:** Students achieving below level on testing.  **Root Cause:** Misaligned lessons and student engagement. Student must be engaged throughout the lesson and challenged. Misconceptions must be addressed.
School Processes & Programs

School Processes & Programs Summary

Career Pathways provides teachers with instructional support. Career Pathways has opportunities to grow Teacher Leaders. Our Pathways supports this year Effective Practice Specialists, Canvas Leaders, Effective Instructional Practices. We also have a T-Tess ambassador to support teachers in being aligned to the T-Tess rubric at all times. The TEACH program has been implemented to provide teachers and students with classroom strategies to support classroom management. District Curriculum coaches along with Teacher Specialist are working to support teachers on the implementation of Eureka Math.

School Processes & Programs Strengths

We notice with Career Pathways aids in building an instructional support system for staff members, increases teacher capacity for coaching and instruction and drives Leadership skills in those who serve in specific roles. The TEACH program is providing teachers with tools to support classroom management and student engagement.

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1: Lack or purposeful Professional Development opportunities to improve instructional practices. Root Cause: Inconsistency in Instructional practices, alignment, and follow-up.
Perceptions

Perceptions Summary

We follow all district and school expectations by meeting with teachers during Pre-Service to discuss pertinent information and details of our policies. Staff members receive handbooks that are used as a reference throughout the school year. We value parents as community stakeholders with Parent informational sessions as well as open communication with our parents.

Perceptions Strengths

Consistency with all policies district and campus.

We offer support whenever needed to support our students and their families. Wrap Around Specialist, Communities in Schools and the School Counselor provide needed supports to families as well.

The community is aware that we are open to partnerships.

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1: Parental support has suffered over the last few years with factors such as the pandemic, previous Improvement required status of the campus, and a drop in enrollment and lack of transportations. Parents tend to enroll their child in charter schools that are closer to their home or offer transportation. Root Cause: Participation and support of school activities.
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- HB3 CCMR goals
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- State and federal planning requirements

**Accountability Data**
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Accountability Distinction Designations
- Federal Report Card and accountability data

**Student Data: Assessments**
- STAAR current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
# Board Goals

**Board Goal 1:** The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

**Goal 1:** ELAR - By the end of the school year, the percentage of students meeting Level II performance on STAAR Reading will increase with at least 25% of students meeting Level III Advanced Performance. Increase 3rd Grade Reading from 78% passing to 84% passing. Increase 4th Grade Reading from 31% passing to 50% passing. Increase 5th Grade Reading from 54% passing to 70% passing.

**Strategic Priorities:**
Expanding Educational Opportunities

**Measurable Objective 1:** By May 2023, Universal Screener Renaissance 360 will display 70% of our students reading at or above grade-level.

**Evaluation Data Sources:** Common Assessments, Interim Assessments, Observations, Running Records, Imagine Learning, Ren360

Campus #186
### Strategy 2 Details

**Strategy 2:** Teachers will incorporate authentic text as Read Alouds weekly to expose students to a variety of Genres. Evidence if Read Alouds will be monitored weekly by Specialist walk-throughs and weekly lesson plan monitoring and feedback.

**Strategy's Expected Result/Impact:** By exposing students to Good Reading we can support them in growing as readers and improving their fluency and comprehension skills.

**Staff Responsible for Monitoring:** Admin Team, District Curriculum Coaches

**Action Steps:** Model Read Aloud expectations for RLA teachers. Teacher Specialists will plan and provide coaching to teachers. Monitor and follow up weekly.

#### Measurable Objective 2:

By May 2023, overall passing Reading percentage on common assessments will be 70% or higher for each grade level.

**Evaluation Data Sources:** Common Assessments, Interim Assessments, Observations, Running Records, Imagine Learning, Ren360

**HB3 Board Goal**

### Strategy 1 Details

**Strategy 1:** Teachers will use data to establish student and class goals, to determine intervention grouping by using data trackers.

**Strategy's Expected Result/Impact:** By identifying students with gaps we can implement interventions to allow...
student growth toward grade level reading goals.

**Staff Responsible for Monitoring:** Administration Team, Teachers, District TDS  
**Action Steps:** Teacher will administer district assessments (Snapshots, DLA, Benchmarks)

Teacher and appraiser will identify students reading gaps based on data.

Have leadership team and TDS team model best practices for teachers in order to support them in planning and implementing high leverage effective instructional strategies for all students.

Teacher and appraiser will use data plan and implement interventions

Coordinate plan with reading interventionist.

Monitor and track interventions and results.

**TEA Priorities:**  
Build a foundation of reading and math, Improve low-performing schools

---

**Measurable Objective 3:** By May 2023, running records/benchmark assessments will display 70% of our students reading at or above grade level.

**Evaluation Data Sources:** Common Assessments, Interim Assessments, Observations, Running Records, Imagine Learning, Ren360

**HB3 Board Goal**
**Strategy 1 Details**

**Strategy 1:** Implementation of guided reading framework during small group instruction.

**Strategy's Expected Result/Impact:** Teachers will have consistent and relevant student data to inform instructional practices that will lead toward student mastery

**Staff Responsible for Monitoring:** Administration Team, Teachers, District TDS

**Action Steps:** Teachers will use data to set up guided reading groups.

Teachers will use guided reading framework to implement instruction to target student needs.

Teachers will keep records in guided reading binder.

Support struggling students with additional small group intervention time to ensure they are performing at grade level and close the gaps.

**TEA Priorities:**
Build a foundation of reading and math, Improve low-performing schools

### Strategy 2 Details

**Strategy 2:** Backwards planning for instruction using high impact instructional strategies and resources.

**Strategy's Expected Result/Impact:** First instruction will assist in support all learners to demonstrate mastery of specific skills and on formative assessments.

**Staff Responsible for Monitoring:** Teacher Specialist, Formative Assessment Coordinator, Admin

**Action Steps:**
- Review lesson plans weekly
- Revie data to identify priority TEKS
- Analyze assessments (overall test) to develop an understanding for exemplars for mastery.
- Observation of instructional delivery and the student engagement.
- Review instructional strategies and exit tickets for alignment.

**TEA Priorities:**
- Recruit, support, retain teachers and principals, Improve low-performing schools

### Measurable Objective 2:

By May 2023, overall passing percentage on Math common assessments will be 60% or higher for each grade level.

**Evaluation Data Sources:** All Mathematics common assessments from September-April

**HB3 Board Goal**

### Strategy 1 Details

**Strategy 1:** Teachers will administer Common Formative Assessments to progress monitor students every 3-4 weeks.

**Strategy's Expected Result/Impact:** Students will meet/master content in Math on Common Formative Assessments. This will inform the teacher on progress to reteach/extend if necessary.

**Staff Responsible for Monitoring:** Administration team, teachers, district TDS

**Action Steps:** Teachers will collaboratively create common formative assessments aligned to standards.

- Students will take assessments every 3-4 weeks.
- Teachers will analyze data from common formative assessments to drive instruction and interventions.
- Have leadership team and TDS team model best practices for teachers in order to support them in planning and implementing high leverage effective instructional strategies for all students.

**TEA Priorities:**
- Build a foundation of reading and math, Improve low-performing schools

Board Goal 5: N/A - Additional Campus Goals

Goal 7: MANDATED HEALTH SERVICES: The campus will meet 100% of Mandated Health Services by the required dates for Immunization Monitoring, Vision Screening (Grades PK, K, 1, 3, 5 & 7), Hearing Screening (Grades PK, K, 1, 3, 5, & 7), Type 2 Diabetes (Grades 1, 3, 5, & 7), Spinal Screening (Grades 6 & 9), Medication Administration and AED Maintenance Checks.

Strategic Priorities:
Ensuring Student Health, Safety and Well-Being

Measurable Objective 1: IMMUNIZATION MONITORING, data entry and state reporting requirements will be completed by a certified school nurse on or before October 21, 2022.

Evaluation Data Sources: Immunization data entry and state reporting for all students completed by SCHOOL NURSE: Faosat Okubajo RN
Estimated number of students to be screened: 492

Measurable Objective 2: VISION SCREENING at Grades PK, K, 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 9, 2022.

Evaluation Data Sources: Vision screening records for all applicable students completed by SCHOOL NURSE: Faosat Okubajo RN
Estimated number of students to be screened: 363

Measurable Objective 3: HEARING SCREENING at Grades PK, K, 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 9, 2022.

Evaluation Data Sources: Data entry, referral forms, and state report completed/submitted by SCHOOL NURSE: Faosat Okubajo RN
Estimated number of students to be screened: 363

Measurable Objective 4: TYPE 2 DIABETES SCREENING at Grades 1, 3, 5, & 7 will be completed by a certified school nurse or screener on or before December 9, 2022.

Evaluation Data Sources: Screening, data entry, referral forms and state report completed/submitted by SCHOOL NURSE: Faosat Okubajo RN
Estimated number of students to be screened: 228

Measurable Objective 5: MEDICATION ADMINISTRATION, including, but not limited to emergency care of students with diabetes, seizures, and life threatening anaphylaxis will be completed by a certified school nurse for the school year 2022-2023.

Evaluation Data Sources: PERSON RESPONSIBLE: School Nurse/Health Wellness Team

Measurable Objective 6: AED (Automated External Defibrillator) MONTHLY MAINTENANCE CHECKS will be conducted for all AEDs and an annual
report submitted to Health and Medical Services.

**Evaluation Data Sources:** PERSON RESPONSIBLE who is certified in CPR/AED: Faosat Okubajo RN and Reginald Johnson
Number of AEDs on campus: 2
Board Goal 5: N/A - Additional Campus Goals

Goal 8: COORDINATED HEALTH PROGRAM (ES, MS and K-8 Campuses)
The campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

Measurable Objective 1: By the end of the school year, we will increase student and family health by working to connect families with community health resources, including providing access to mental health counseling and other needed supports.

Evaluation Data Sources: Ongoing monitoring of family health concerns/supports. Updates from Support Staff including School Counselor, Wrap-Around and Communities in Schools.
Board Goal 5: N/A - Additional Campus Goals

Goal 9: OTHER UNMET (If applicable)
## State Compensatory

### Budget for 186 Robinson Elementary School

**Total SCE Funds:** $143,908.16  
**Total FTEs Funded by SCE:** 1.5

**Brief Description of SCE Services and/or Programs**

Services being funded through state compensatory education is one classroom teacher. Instructional material is also purchase to support struggling learners.

### Personnel for 186 Robinson Elementary School

Title I

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by the Shared Decision-Making Committee (SDMC).

Ninety four percent of Robinson students are economically disadvantaged and fifty six percent of Robinson students are English Language Learners. Six percent of students have been identified as Gifted and Talented and nine percent of students receive Special Education services. In 2018-2019 Robinson received an overall state accountability rating of “Did not Meet Standard”; we did not earn any distinctions. In the area of Student Achievement we received a scaled score of 56 and did not meet standard. In the area of School Progress we received a scaled score of 59 and did not meet standard. In the area of Closing the Gaps we received a scaled score of 51 and did not meet standard. Students who took the STAAR Alternate test achieved a 100% passing rate. Current data from the 2021-2022 reflects that our campus has earned a "B" Rating 87% with 64% in Domain 1.

To meet the needs of all our students we will be using the Renaissance 360 data to identify the students who are reading two grade levels below. Students will be grouped, and Reading Interventionist will be pulling daily. Progress monitoring will happen every six weeks.

We will continue to track each student and create goals to monitor progress. Administration will support teachers in planning for small groups and the creation of effective lessons that target the specific skills needing to be improved. Reading and Math Interventionist will target Tier 2 Learners to provide tools and strategies to assist them in Mastering the skills to show progress.

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways:

- Stakeholders were involved in establishing a school compact.
- Discussion of the goals and expectations of the school year
- Resources that are being used
- Parent and family engagement for the campus

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes:

- Weekly PLCs
- Instructional Rounds
- Leadership Calibration Walks
- Timely follow-up and feedback
- Exit Ticket trackers
- Campus Formative and Summative Data Trackers
- Teacher Leader support through Career Pathways

**2.3: Available to parents and community in an understandable format and language**

The SIP is available to parents in the following locations:

- On campus
- Campus website
- Parent Meetings

The SIP was made available to parents by:

- School meeting
- Title 1 Meeting

We provide the SIP to parents in the following languages:

- English
- Spanish

**2.4: Opportunities for all children to meet State standards**

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

1. Interventions for students performing below grade level.
2. After school tutorials for students requiring further interventions.
3. Hiring of hourly intervention teachers for support
4. Purchasing Imagine resources for all learners.

**2.5: Increased learning time and well-rounded education**

Ways that we increase learning time and a well-rounded education for our students include:

- Maximizing instructional time with uninterrupted blocks of learning during the school day
- Provide afterschool tutorials
- Provide interventions during the school day for struggling students in Reading and Math
- PLCs are used for teachers to focus and align instructional according to data

- Create opportunities for experience and exposure in all content areas (Developing Final products/projects, Research, Technology based)

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas
- Proficient Tier 1 explicit instruction taking place in all content areas
- Monthly AT BATs
- Small Group Instruction based on student data needs

3.1: Annually evaluate the schoolwide plan

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- Cherrelle McKinnies, Principal
- Esmeralda Pena, Title I Coordinator
- Jennifer Harwell, Assistant Principal
- Raul Calix, Parent
- Conti Davis, Teacher
- Claudia Enciso, Teacher

4.1: Develop and distribute Parent and Family Engagement Policy

The PFE was distributed

- Our school webpage
- shared with parents during Title I meetings
- student handbook refers parents to school website

The languages in which the PFE was distributed include

- English
- Spanish
Four strategies to increase Parent and Family Engagement include:

1. During parent meetings, school will survey our stakeholders for topics of interest to them to support their children at home/school.

2. Advertise activities by at least 4 different forms of communication such as social media, ClassDojo, callouts, flyers. the activities we are providing to our parents and community to increase participation

3. Ask our PTO to collaborate in inviting parent to our meeting and activities as well as our FACE representative.

4. Incorporate a giveaway/incentive system for participation in school activities such as literacy and math night

4.2: Offer flexible number of parent involvement meetings

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1 - Compact Review #1A 10/07/2022 @ 8:30am
- Meeting #1 Alternate - Compact Review #1B 10/11/2022 @2:00pm
- Meeting #2 - Title I, Part A #2A 11/04/2022 @8:30am
- Meeting #2 Alternate - Title I, Part A #2B 11/08/2022 @4:00 pm
- Meeting #3 - Title I Spring Meeting #3A 02/03/2023 @ 9:00 am
- Meeting #3 Alternate - Title I Spring Meeting #3B 02/07/2023 @4:00pm
- Meeting #4 - Title I Meeting #4A 03/03/2023 @9:00am
- Meeting #4 Alternate - Title I Meeting #4B0 03/07/2023 @2:00pm
