Greetings and welcome back to the 2022-2023 school year! As we begin this school year, I wanted to provide resources and forms needed to maintain a healthy school year.

Your child's health and safety are my top priorities. Please read this information carefully to help ensure the safety of your student and the entire Wisdom community. I have provided attached links for each form.

Please let the school Nurse know:

- If your child's medical status has changed (new medication started, medication discontinued, new medical condition or condition resolved etc.)
- MEDICATION will only be given by the school Nurse under these conditions per HISD policy (no exceptions will be made)
  - o Parent/guardian brings a completed HISD medication order form signed by both the parent and the physician.
  - o Medication is delivered to the clinic by the parent guardian and is in the original container with the child's name printed on the label. (This includes over the counter medication, for example Benadryl for an allergy, just ask the pharmacist wherever you are purchasing the medication)

Physician orders – To be renewed each year

## Dietary Accommodations:

HISD provides nutritious meals to all students, including those who require special diets due to medical reasons (i.e., disability, allergies, etc.). Their doctor must complete the Physician Request for Special Dietary Accommodations and send to the school nurse. Please ensure that it is filled out with all the required information so Nutrition Services can promptly process the request and begin dietary accommodations as soon as possible.

## Food Allergy and Anaphylaxis and Physician Orders English / Spanish

COVID-19 · For information about COVID-19 and HISD policies, please visit [Health Alerts / Health Alerts Toolkit \(houstonisd.org\)](#)

## When to Stay Home:

IT IS VERY IMPORTANT to keep your child home when they are ill (fever 100 or over, vomiting, diarrhea, persistent cough, lice, eyes that are red and have yellow or green drainage, etc.). More information on when your student should stay home can be found at [CDC Stay Home.pdf \(houstonisd.org\)](#)

If you have any questions about whether your child should attend school, please do not hesitate to call!

## Immunizations:

The State of Texas requires immunizations for all children in a school or childcare facility.

Detailed requirements can be found at: <https://www.houstonisd.org/Page/122193>

Parents and or students will be contacted regarding compliance of required vaccinations. Student is expected to have received required immunization by September 9, 2022 to continue enrollment in Wisdom High School

I am here to help in any way that I can. Please partner with me in making this a healthy and happy school year!

Sincerely,

Frances Ajaero, BSN RN
