HISD students are going places!

We are excited to share with you some fantastic learning opportunities supported by HISD CCMR (College, Career, and Military Readiness) and DiscoverU.

Throughout the academic year, DiscoverU and CCMR have forged a strong partnership, working diligently to provide students with exceptional out-of-school learning opportunities. These initiatives have been carefully designed to expose students to the world beyond Houston, opening their minds to the endless possibilities offered by college education and various career fields. We are thrilled to share the incredible progress and impact achieved through this collaborative effort.

FANTASTIC LEARNING OPPORTUNITIES

HISD Future Doctors Academy

Dates: June 26 - June 30

Location: TMC Innovation Campus

The Future Doctor's Academy is a week-long program designed for HISD high school students who are interested in the medical field. Participants will have the unique opportunity to engage in hands-on experiences such as dissections and learning CPR. They will also have the chance to speak with medical students and doctors from different specialties. Don't miss this chance to delve into the world of medicine and gain invaluable insights into the healthcare profession.

HISD Rice Tapia Camps

Dates: July 9- July 28

Location: Rice University

Rice Tapia Camps offer an incredible opportunity for high school students to explore the realms of STEM (Science, Technology, Engineering, and Mathematics) and experience college life. Over the course of each session, participants will reside on Rice University's campus, attend classes, and engage with distinguished professors. From STEM projects to team-building activities, this program promises an enriching and fun-filled experience for all attendees.

FANTASTIC LEARNING OPPORTUNITIES

HISD Writing Creative Camp

Dates: August 7 - August 11

Location: University of St. Thomas

This camp offers participants an immersive experience in creative and fun writing and reading activities. Skilled workshop instructors will guide students as they explore various writing genres and techniques. Additionally, they will have the chance to meet local published authors and become a part of the thriving literary community. Whether you want to refine your storytelling skills or master the art of college application essays, this camp is tailored to help you grow as a writer.

Don't miss out on these incredible learning opportunities! They are designed to provide students with unique experiences that will shape their academic and professional journey.
