Board Goals

Board Goal 1: The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

Goal 1: The percentage of students meeting the master's level performance on the spring 2023 STAAR assessment will maintain at 67% (English I) and 62% (English II) on the newly formatted test, with a stretch goal to increase by three percentage points annually from 67% to 70% in English I and from 62% to 65% in English II.

Strategic Priorities:
Expanding Educational Opportunities, Ensuring Student Health, Safety and Well-Being, Transforming Academic Outreach

Measurable Objective 1: We are identifying students who need greater support through tutorials and tailored instruction. While the freshman English class is designed to boost literacy across the curriculum, students are also identified for an IAT support period. These students will be monitored through a Practical Reading Skills class.

The freshmen English classes will continue to implement certain organizational and discipline skills to provide back up to reading instruction during the Practical Reading Skills course, which is designed exclusively for student improvement in essential critical reading and writing skills. A writing diagnostic will be used to identify struggling writers.

Classroom teachers will be responsible for identifying students in need of intervention. Admin will also identify students in need based on universal screener results. Sam Shields will be in charge of the Practical Reading Skills course.

Daily 45-minute class period throughout the 2022-2023 school year.
Progress report periods are every three weeks from September 2022 - May 2023

Universal Screener occurs at 3 times.
Each 6-week grading cycle.

Evaluation Data Sources: Daily 45-minute class period throughout the 2022-2023 school year, progress report periods every three weeks from September 2022 to May 2023, Universal Screener 3 times per year, and each 6-week grading cycle via report cards.

1.1: Comprehensive Needs Assessment

School Overview - Carnegie Vanguard is the premier high school for the academically gifted student because its educators are accessible and responsive, and its climate promotes social acceptance. The mission of Carnegie Vanguard High School is to provide a unique and challenging learning environment to prepare the diverse gifted & talented students of HISD for leadership in a global society. Carnegie Vanguard High School was established in the fall of 2002 as the successor to the highly successful school-within-a-school Vanguard program at Jesse H. Jones Senior High which was created in 1977. Today Carnegie is the only Vanguard high school in the Houston Independent School District (HISD) with 100% of the students identified as gifted and talented in academics. Current enrollment according to PowerSchool SIS encompasses 31% Hispanic, 30% Asian / Pacific Islander, 21% White / Caucasian, 12% Black / African American, and 5.7% Two or more races, and 1% Other.

Needs Assessment - As Carnegie Vanguard High School students have met 100% in all state academic standards, our goal is to increase the percentage of students at the master's level on STAAR EOC with emphasis on STAAR Reading. Our goal is to continue to not only meet the progress but increase the percentage of students that exceed progress (masters level).

According to the Texas Education Agency, CVHS earned the Accountability Rating of Met Standard with the following distinctions: Academic Achievement in Reading/ELA, Academic Achievement in Mathematics, Academic Achievement in Science, Academic Achievement in Social Studies, Closing Performance Gaps, Postsecondary Readiness, TEA rates for performance, participation, and graduation each equals 100%.

Teachers are highly qualified and follow the prescribed expectations of Pre-AP and AP curriculum. Teachers enthusiastically attend professional development including the Rice University summer AP training as well as offerings via HISD, Region IV, and the Texas Association for the Gifted and Talented. Teachers receive components of gifted and talented training including nature and needs, identification and assessment, social and emotional needs, creativity and instructional strategies, and differentiated curriculum. Topics are frequently discussed during monthly departmental and bi-weekly grade-level professional learning communities, monthly faculty meetings, and growth plan meetings at the end of each grading cycle. Project-based learning is evident as Vanguard students work on special projects individually, in small groups, and in whole groups.

Goals and Objectives for the 2022-2023 School Year: The percentage of students meeting the master's level performance on the spring 2023 STAAR assessment will increase from 67% to 70% in English I, from 62% to 65% in English II, and from 56% to 59% in Algebra I. Attendance will maintain at 98% or higher. The percentage of parent attendees at monthly PTO meetings will increase from 10% to 12%.

Major Initiatives and Critical Success Factors - To improve academic performance in core content areas, we will increase the use of Quality Data to Drive Instruction. During PLCs with teachers, we will focus on Data Disaggregation, Curriculum Alignment, Attendance, Discipline, Safety, School Climate, and Ongoing Communication in the learning community.

In order to strengthen student writing skills, we will implement a school-wide reading, math, and writing initiative. We will work closely with our ELA and Math teachers to ensure instructional strategies are aligned at high levels with the TEKS. We will complete calibrations to ensure the grades on writing assignments reflect the actual mastery of the writing assignment.

Title 1 students have been identified and supported through regular tutorials and progress monitoring. School personnel meet to discuss progress as well as needs and ways for parents to assist / support at home.

Title I, Part A Campus Improvement Plan (CIP) — Schoolwide and Targeted Assistance

The 3-Elements Campus Improvement Plan (CIP) is specific to your campus. You can obtain the information needed to complete the CIP questions from a variety of sources, including campus administrators/staff and HISD’s External Funding Department.

Campus Name ____________________________________________________________ Campus Number _________

SPECIAL REVENUE FUNDING GOALS

GOAL AREA: Title I, Part A – 3 Required Elements of Schoolwide Planning – Campus Compliance
NOTE: As a Schoolwide Title I, Part A campus, ESSA Requires the completion of the sections below (campus compliance).

1. Comprehensive Needs Assessment: The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire Campus that takes into account information on the academic achievement of children in relation to the challenging state academic standards, particularly the needs of those children who are failing, or at risk of failing, to meet the challenging state academic standards and any other factors as determined by the Local Educational Agency (LEA).

   - Briefly summarize your campus’s needs as identified in your Comprehensive Needs Assessment. Include a list of the data sources used and a description of the CNA process the campus followed.

   - Indicate the programs and resources that are being purchased out of Title I funds.

   - Indicate the date(s) the CNA was developed or the date(s) the CNA was reviewed or revised.

Continued on next page....
2. Campus Improvement Plan Requirement (CIP) Schoolwide Plan Development: The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other campus leaders, paraprofessionals present in the campus, and other stakeholders. Campus-specific, schoolwide reform strategies will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

- List at least four (4) campus-specific, schoolwide reform strategies that will provide opportunities for all students, particularly the needs of those students who are at risk of not meeting the challenging State academic standards to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

3. Parent and Family Engagement: Campuses shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the following requirements:

Parents shall be notified of the policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. The policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the campus.

Identify at least four (4) strategies specific to your campus to increase Parent and Family Engagement activities.

1. 

2. 

3. 

4. 

A. List the individuals, including roles (parents, teacher, admin, etc.) who assisted with the development of the PFE Policy.

B. Indicate how the Parent and Family Engagement Policy was distributed.

C. Indicate specific languages in which the PFE Policy was distributed.

*Before hiring a CSR teacher, schools must first meet the State’s standards for pupil-teacher ratios (i.e., F-4 = 22:1), for all other grades, a school must maintain an average of not less than 25:1 based on average daily attendance. After meeting the State’s standards, you may apply for a CSR teacher to meet the District’s recommended standards (i.e., F-4 = 20:1; grade 5= 26:1; grades 6-8 = 26:1 or class total of 180 students; grades 9-12 = 30:1 or class total of 100 students).

School Overview

Carnegie Vanguard is the premier high school for the academically gifted student because its educators are accessible and responsive, and its climate promotes social acceptance. The mission of Carnegie Vanguard High School is to provide a unique and challenging learning environment to prepare the diverse gifted & talented students of HISD for leadership in a global society. Carnegie Vanguard High School was established in the fall of 2002 as the successor to the highly successful school-within-a-school Vanguard program at Jesse H. Jones Senior High which was created in 1977. Today Carnegie is the only Vanguard high school in the Houston Independent School District (HISD) with 100% of the students identified as gifted and talented in academics. Current enrollment according to PowerSchool SIS encompasses 31% Hispanic, 30% Asian / Pacific Islander, 21% White / Caucasian, 12% Black / African American, and 5.7% Two or more races, and 1% Other.

Needs Assessment

As Carnegie Vanguard High School students have met 100% in all state academic standards, our goal is to increase the percentage of students at the master's level on STAAR EOC with emphasis on STAAR Reading. Our goal is to continue to not only meet the progress but increase the percentage of students that exceed progress (masters level).

According to the Texas Education Agency, CVHS earned the Accountability Rating of Met Standard with the following distinctions: Academic Achievement in Reading/ELA, Academic Achievement in Mathematics, Academic Achievement in Science, Academic Achievement in Social Studies, Closing Performance Gaps, Postsecondary Readiness, TEA rates for performance, participation, and graduation each equals 100%.

Teachers are highly qualified and follow the prescribed expectations of Pre-AP and AP curriculum. Teachers enthusiastically attend professional development including the Rice University summer AP training as well as offerings via HISD, Region IV, and the Texas Association for the Gifted and Talented. Teachers receive components of gifted and talented training including nature and needs, identification and assessment, social and emotional needs, creativity and instructional strategies, and differentiated curriculum. Topics are frequently discussed during monthly departmental and bi-weekly grade-level professional learning communities, monthly faculty meetings, and growth plan meetings at the end of each grading cycle. Project-based learning is evident as Vanguard students work on special projects individually, in small groups, and in whole groups.
Goals and Objectives for the 2022-2023 School Year:
The percentage of students meeting the master's level performance on the spring 2023 STAAR assessment will increase from 67% to 70% in English 1, from 62% to 65% in English II, and from 56% to 59% in Algebra I. Attendance will maintain at 98% or higher. The percentage of parent attendees at monthly PTO meetings will increase from 10% to 12%.

Major Initiatives and Critical Success Factors:
To improve academic performance in core content areas, we will increase the use of Quality Data to Drive Instruction. During PLCs with teachers, we will focus on Data Disaggregation, Curriculum Alignment, Attendance, Discipline, Safety, School Climate, and Ongoing Communication in the learning community.

In order to strengthen student writing skills, we will implement a school-wide reading, math, and writing initiative. We will work closely with our ELA and Math teachers to ensure instructional strategies are aligned at high levels with the TEKS. We will complete calibrations to ensure the grades on writing assignments reflect the actual mastery of the writing assignment.
