**More info to come check the school website frequently for updates.**

- **Technology distribution will begin August 24, 2020.** Please make sure that we have accurate contact information on file for your scholar.
- All scholars will report to classes virtually via Microsoft Teams on **September 8, 2020**.
- Face to Face instruction is scheduled to resume **October 19, 2020** (parents will have the option for their scholar to continue virtually).
- **Sample virtual student schedules** are available on the school website. Your student's schedule may vary slightly but you will be able to get an idea of the flow of the day. Students will receive their actual schedule during the technology distribution.
- We will providing students with a **virtual instruction supply kit**. Students will receive school supplies to make sure they are ready for success on the first day of school. Students will receive the supply packs during technology distribution days.

## Important Reminders

**Attendance.** Attendance will be taken everyday in every class. We strongly encourage all students to participate in live instruction daily. If students are unable to participate in the live instruction on any day, they can log into the HUB and complete assignments to be counted present for the day prior to 11:59.

**Grades.** Students will receive 2 grades per week per class. Please make sure that your scholar is completing all required assignments in the HUB daily. You will be able to track your students progress in PowerSchools. We will provide additional information on how to use the new parent portal soon.

**Expectations.** Students are expected to interact appropriately in the virtual environment the same as in person. Appropriate dress, language and technology usage are non-negotiable. We need all students engaged in the learning daily with a ready-to-work attitude. We need your support to ensure we are able to meet the needs of all students with minimal distractions and disruptions. As I share with the students daily in person, "teachers came to teach and students came to learn, every day is a fine day for learning".

**Communication.** If you need assistance please see the campus contact list for guidance. The campus contact list contains the name, area supported and email address for all campus support staff. The communication is located on the school website.

**Thank you for your continued support of our scholars!!!**
