**Lety de los Santos**  
*School Counselor*

Dear parents and family caregivers,

I hope this letter finds you well. Thank you for taking the time to read this communication. I am grateful and excited to join the Briscoe Elementary community as your principal. As I walk this beautiful historic building, I envision images of greatness in the hallways and classrooms. I see highly effective teachers and staff members collaborating, doing the work with enthusiasm, passion, professionalism, and love. I see your children excited about learning and engaged in meaningful lessons. I see parents, our most important partners, proud and involved in the education of students. I see a team (parents, teachers, and staff) moving in unity making the difference in students' lives and shaping the minds of the future.

I believe that relationships based on trust, respect, honesty, and fairness are essential for our school community. Every team member is important, and everyone has a role to play. In the upcoming weeks, I will be hosting listen and learn meeting sessions with parents. The information gathered will be useful to start planning activities for next school year.

My roles in education include Assistant Principal, Instructional Specialist, and Bilingual Teacher. I have served Houston's East End community for twenty-one years. It is a blessing to continue my service in the area and join the Briscoe Elementary family, Home of the Armadillo.

Please visit our school's website regularly to stay informed about events and school updates. Our first parent meeting will be on Wednesday, July 6<sup>th</sup>, 2022 at 9:00 a.m. and at 4:00 p.m. Look forward in meeting you.

Thank you for your support. I hope you have a wonderful summer!

Regards,

*C Rodriguez*  
Carlos Rodriguez, MBAE
