## AVERAGE DAILY ATTENDANCE

Please ensure that your child is in school daily. **It is important that your student is in attendance at this time because this impacts your student's official attendance record and our school's funding.** Parents will be called by the automated system when their student is absent from school. In addition, daily, personal phone calls will be made from grade level offices.

Each week, we will have an attendance grade level competition. **Any grade level with a 97% attendance rate for the week will get to wear jeans on the upcoming Monday. Any grade level with a 98% attendance rate for the week will receive free dress on the upcoming Monday.** We will announce the grade level winner at school each Friday afternoon. Ms. Dean will send out a REMIND message announcing the winner each Friday.

## ABSENCES

When a student returns from an absence, they must bring an excuse note. This may be a doctor's note, or a signed parent/guardian note stating the reason for the absence. These notes should be turned in to the grade level clerk or attendance clerk to avoid any penalty of unexcused absences. **Any absence exceeding three (3) days requires a doctor's note. Additionally, no more than three (3) handwritten notes are permissible each semester.** Examples of excused absences are personal student illness, death of an immediate family member and recognition of religious holiday.

**COMMON UNEXCUSED ABSENCES:** Car trouble, oversleeping, traffic, Metro bus issues, being out of town (vacations), and trips not sponsored by HISD/Frank Black Middle School are all examples of **unexcused** absences.

## **ABSENCES- MAKE-UP WORK**

---

Students who are absent will be given an opportunity to make up work upon returning to school. It is the student's responsibility to see that the work is made up. During an extended absence, work may be requested (with 48-hour notice) from the grade level leader. Students will be allowed to make up work on a day for day basis. For example, if a student misses three days of school, he/she has three consecutive school days (excluding holidays) to turn in the make-up work without penalty.

## **ABSENCES- TRUANCY**

---

A student absent from school without the consent of his/her parent or school personnel is considered truant—this constitutes an unexcused absence. Additionally, this is a Level 3 offense according to the HISD Code of Student Conduct. Students who have excessive unexcused absences will be referred to truancy court and may receive a fine. Any absence exceeding three (3) days requires a doctor's note. Additionally, no more than three (3) handwritten notes are permissible each semester. Students who exceed ten (10) unexcused absences will be:

- ☐ Referred to an Attendance Committee
- ☐ Receive an NG (No Grade) earned due to poor attendance
- ☐ Required to attend Summer School

## **TARDIES**

---

For a student to be considered on time to class, students must be in the classroom when the bell rings. The tardy policy applies to every period.

Prompt attendance is important as the school day begins and throughout the day. When a student is tardy to Homeroom (8:30am – 8:40am), they will report to the tardy station. After 8:44 AM, students must report to the main office. When a student is tardy to any class throughout the school day, he/she is to report directly to class. Once a student accumulates three (3) unexcused tardies, consequences may be administered by the grade level administrator, in accordance with the school's tardy policy. Per six-weeks:

- ☐ 3 tardies – After school detention
- ☐ 6 tardies – Saturday detention
- ☐ 9 tardies – Saturday detention and parent conference
- ☐ Please note tardies, after parent conference, may result in more harsh consequences.

Tardy sweeps will occur randomly. Students caught in a tardy sweep will receive immediate after school detention and their parents will be contacted by an administrator.

## **HALL PASSES**

---

Students need to carry a hall pass issued by their teacher when they are in the hallway for any reason (restroom, locker, main office, or the nurse's office). Students will receive two passes per teacher per grade period (14 passes). Students without a hall pass will be sent back to class or the grade level office if this is a perpetual issue.

## **PROCEDURES FOR LEAVING EARLY DURING THE DAY**

---

Students are expected to be in school every day. Parents are encouraged to make medical, dental, and personal appointments for the students after school. When a student is to leave the campus during the school day (before 4:00 p.m.) the following is required:

- ☐ the parent must sign the student out in the main office
- ☐ provide a valid photo identification card
- ☐ sign the student check-out log.

If someone other than the parent is checking the student out early, he/she must be listed on the early release form and provide valid picture identification; otherwise, the student will not be released.

The cut off time to early student pick-up is 3:15 PM. **THERE WILL BE NO STUDENT PICK-UP AFTER 3:15 P.M.**

## **DRESS CODE**

## CELL PHONE & ELECTRONIC DEVICES

**\*\*Students are encouraged to leave electronic devices at home or locked in their lockers as the school is not responsible for the loss or theft of these devices.**

In this time of immediate access to communication, we want to ensure that the learning environment is not disrupted by outside communication. As such, parents and students should take care of personal communications before they separate for the school day.

Non-emergency telephone messages will not be delivered to students during the instructional day. Students who need to use the phone in an emergency can use the phone in their grade level office with permission of an administrator. Parents should not communicate with students via their cellphone during the school day and should call the front office if there is an emergency.

Students will be able to access their mobile device at the conclusion of the school day. Students can bring their mobile devices to school, but they must always be turned off and put away. This includes iPads, air pods, smart watches, earbuds/headphones, or another other non-school provided device that transmits a cellular or wireless signal.

Exception to these regulations is when there is permission from school staff to use a mobile device for an in-class activity. Students are expected to have their mobile devices turned off and put away after the activity has been completed. Consequences for active use of a mobile device usage are as follows:

- ☐ **1st incident:** If item is seen being used during the school day, the item will be confiscated, turned into the grade level administrator, logged, and picked up by the student at the end of the school day.
- ☐ **2nd incident:** Item will be confiscated and turned into grade level administrator and the student's parent will be notified of the infraction. **A FEE OF \$15. ONLY PARENTS (NOT STUDENTS) may retrieve confiscated devices from the school finance clerk in the main office from 8:00 A.M. – 4:00 P.M.** Only cash or money order will be accepted.
- ☐ Further consequences for repeated incidents will be at the discretion of the grade level administrator.

## FIELD TRIPS

---

Field trips will be arranged by teachers or administrators as an extension of the school curriculum. All students are expected to participate in the field lesson as it is a learning activity. Parent approval forms will be sent home to be signed and returned. No student will be permitted to attend a trip without written permission on the appropriate form. The signed permission form must be returned to the teacher no later than two days prior to the scheduled field trip. We reserve the right to deny a child's participation in a field trip or in co-curricular activities if classroom conduct (P or U) reflects or any other behaviors indicate that a child's safety could be in jeopardy off-campus. A parent may be required to accompany their child on the field trip if the teacher has concerns regarding the student's ability to stay with the group or follow directions. Our group represents the school while on field trips; therefore, the appearance and conduct of everyone should be exemplary. School uniforms or school spirit shirts are required for field trips unless notified by teacher. For fieldtrips requiring transportation by bus, students must ride the bus to and from the site unless receiving school approval before hand due to extenuating circumstances.

## LOCKERS

---

Students will be assigned a locker via their homeroom as needed. **Locker combinations must be given to homeroom teacher and grade level assistant principal.** A combination lock must be used for textbooks and supplies to be properly secured. Students are responsible for any damaged books that are improperly stored in their lockers. Students should not visit their lockers during instructional time. Lockers are also available in P.E., Dance and Karate. There is **NO** sharing of lockers.

## LOST AND FOUND

---

If you lose an item, please check the lost and found room during your lunch time or after school with front office staff. All items not claimed will be donated every Friday afternoon to a local organization. **ALL electronic devices are stored in the main office with Financial Clerk.**

## LUNCH

---

**NO FOOD DROP-OFFS will be accepted, especially during lunch times.** This also includes Uber Eats, Door Dash, pizza delivery, etc. Therefore, please plan accordingly.

## STUDENT RECORDS

---

Our registrar will provide you with your copies within 72 hours (3 business days) of the date your request is received.

Please note that there will be a \$5 charge for copies of personal documents which the school/District is not responsible for such as birth certificates, social security cards, and immunization records.

For personal information such as home address, contact phone numbers, or any other contact information parents must complete a "Student Contact update" form which are in the main office. All information will be verified.

Copy of Driver License or ID must be presented at time of records request.

## **ATHLETICS AND EXTRA-CURRICULAR ACTIVITIES**

---

Athletics and extra-curricular activities play a large part in the development of self-esteem, social skills, and personal growth. All students are encouraged to participate. We are proud to offer the most comprehensive athletic program of any HISD middle school. All programs are available to 7<sup>th</sup> and 8<sup>th</sup> grade students. Club sports are available to 6<sup>th</sup> grade students (Baseball, Softball, Lacrosse). Participation is subject to "No Pass, No Play" academic performance restrictions. Appropriate behavior and conduct is a requirement for participation. Athletic activities include football, basketball, karate, volleyball, cross country, swimming, track, soccer, lacrosse, baseball, softball, and cheerleading. If students are assigned a detention, it will take precedence over athletics/extra-curricular activities.

## **PHYSICAL EDUCATION, KARATE OR DANCE PARTICIPATION**

---

State law requires physical education or an elective substitute for all middle school students. All students are expected to dress out each day for these activities as outlined in the teacher's syllabus. FBMS P.E. uniform are available for purchase for \$20. A physician's statement is required as a waiver from participating in P.E. activities due to health conditions.

## **PEP RALLIES/ HOUSE CUP COMPETITIONS**

---

We will have a Pep Rally every grading cycle where we recognize STAR students, athletic teams, watch student performances, and conduct our house cup competitions. Every student will be assigned to either Griffin House, Phoenix House, or Pegasus House according to their Homeroom class (assigned houses will be on student ID badges). We will have a modified bell schedule on Pep Rally Days (see above).

*\*\*House Cup winners may wear jeans every Wednesday of the following grading period\*\**

## **HOMEWORK**

---

Homework is a necessary part of each student's educational experience.

**Frank Black Middle School Homework Policy:** Homework is important to student learning at Frank Black Middle School. The purpose of this homework plan is to guide teachers, parents, and students in ensuring that homework is meaningful and supports the learning experience for all students.

**Definition:** Homework is any activity or assignment directed by the teacher to be performed outside the classroom that may include practicing skills learned in class, reading, studying, projects, or completion of assignments

**Homework Times and Parameters:** Homework assignments include:

- ☐ **Practice** exercises to follow classroom instruction
- ☐ **Preview** assignments to prepare for subsequent lessons
- ☐ **Extension** assignments to transfer new skills or concepts to new situations
- ☐ **Creative** activities to integrate many skills toward the production of a response or product

For an accelerated course designed to be equivalent to a course at a more advanced grade level, students should expect homework for that class to be consistent with a time expectation for the higher grade level. In addition, students shall be encouraged to allot time to read for pleasure.

**Completing and Planning for Homework:** The following locations will be available for students to complete homework:

- ☐ Library – Lunch/After school
- ☐ Teacher tutorials – After school

Parents are encouraged to check their children's agendas nightly. Students are responsible for recording pertinent information in their agenda for each class every day.

**Responsibilities of Staff:**

- ☐ Assign relevant, challenging, and meaningful homework that reinforces classroom learning
- ☐ Give clear instructions and make sure students understand the purpose
- ☐ Give feedback and/or correct homework
- ☐ Communicate with other teachers
- ☐ Involve parents and contact them if a pattern of late or incomplete homework develops

**Responsibilities of Parents:**

- ☐ Set a regular, uninterrupted study time each day
- ☐ Establish a quiet, well-lit study area, Wi-Fi may be required.
- ☐ Monitor student's organization and daily list of assignments in their agenda
- ☐ Help student work to find the answer, not just get it done
- ☐ Be supportive when the student gets frustrated with difficult assignments
- ☐ Check HISD Connect regularly to keep up with students' grades, and missing work
- ☐ Contact teacher to stay well informed about the student's learning process

**Responsibilities of Students:**

- ☐ Write down any additional assignments in the Frank Black Middle School Agenda
- ☐ Be sure all assignments are clear; do not be afraid to ask questions if necessary
- ☐ Set aside a regular time for studying
- ☐ Find a quiet, well-lit study area
- ☐ Work on homework independently whenever possible, so that it reflects student ability
- ☐ Produce quality work
- ☐ Make sure assignments are done according to the given instructions and completed and submitted on time
- ☐ **When absent, check with teacher regarding missing or late assignments.**

**Late Work Policy:** Late work is defined as work not turned in on time the day it is due and not because of an absence. Students will have three additional days past the due date to hand in late work. With ten (10) points taken off per day. *\*Please see your teacher's syllabus for any additional details. If the student has an excused absence, student will have five days from their return to school to hand in the assignment(s) without penalty.*

**Make-Up Work Policy:** It is the student's responsibility to get make-up work from his/her teacher(s). Make-up work is not considered late and should reflect the number of calendar days a student has been absent. *\*This policy was established for those extreme cases where a student misses long periods of school due to unforeseen illness. The rationale is that the student should have enough time to make up all work he/she has missed.*

## TEXTBOOKS/TECHNOLOGY

Parents are financially responsible for textbooks/laptops. Textbooks/laptops are the property of the school and if lost or damaged, must be paid for by the borrower (student/parent).

## PROGRESS REPORTS & REPORT CARDS

Report cards will be mailed, and a copy sent home with students every grading period. Progress reports are sent home with students on designated days during the grading cycles. Please check the school calendar for reporting dates. A School Messenger phone/e-mail message will be sent home the week that the students will receive their progress reports and report cards. *Please be sure to contact the main office to ensure that we have your correct mailing address, phone number, and e-mail address.* Parents can also receive real-time access to their student's grades through the HISD parent Connect Portal. <http://www.houstonisd.org/domain/11001>. ## STUDENT EXPECTATIONS

Students are expected to adhere to the policies outlined in the HISD Code of Student Conduct. All disciplinary consequences will be assigned with fairness and respect and in accordance with the campus wide discipline program and the HISD Code of Student Conduct. All major and minor offenses and consequences are fully described in the HISD Code of Student Conduct.

Levels of Offenses/Overview Acts of misconduct are categorized into the following five levels of offenses:

**Level I—Violation of Classroom Rules:** Offenses that generally occur in the classroom and can be corrected by the teacher.

**Level II—Counselor or Administrative Intervention:** Offenses that are more serious in nature or a continuance of Level I misconduct.

**Level III—Suspension and/or Optional Removal to a Disciplinary Alternative Education Program:** Offenses that seriously disrupt the educational process in the classroom, in the school, and/or at school-related activities, or repeated instances of Level I, II, or III misconduct. A finding that a student has engaged in a Level III offense may constitute a serious offense.

**Level IV—Required Placement in a Disciplinary Alternative Education Program:** Criminal offenses as defined in Level IV. This may include any felony, whether school-related or not, unless it is one for which expulsion is required. A finding that a student has engaged in an offense listed under Level IV constitutes a finding that the student has engaged in serious misbehavior.

**Level V—Expulsion for Serious Offenses:** Offenses that include those for which a student may or shall be expelled under state law. They include continued serious or persistent misbehavior that violates the district's Code of Student Conduct by a student while placed in a Disciplinary Alternative Education Program. A finding that a student engaged in an offense listed under Level V constitutes a finding that the student has engaged in serious misbehavior.

### Bridge-Out/Bridge-In Procedures for Out-of-School Suspensions

As part of our behavioral intervention campus plan, we will implement a bridge-out and bridge-in procedure for each out-of-school suspension. This process includes the parent/guardian, student, administrator, and counselor. During the process, we will identify the root cause of the behavior and create a plan-of-action to correct the behavior. This process keeps all stakeholders on the same page to ensure success of the student. During the suspension, the student will reflect on his/her behavior and identify what he/she would do differently if faced with a similar situation.

## PARENT CONFERENCES

Parents may make appointments for conferences with grade level teachers, or grade level administrators by e-mailing or calling the main office. It is necessary for parents to confirm the date and time of the parent conference with team leaders.
