

Preparing Yates Students for Future Success

In an effort to provide Yates High School students with additional opportunities to prepare for post-secondary education, the HISD College Readiness Department will provide the following resources and support during the 2014-2015 school year:

- **College & Career Workshops on Naviance:** Training for all students on how to utilize Naviance, an online college and career planning tool with college and scholarship search features.
- **PSAT/SAT Prep Courses:** Students will learn how to prepare for exam, using the College Board SAT course and PrepMe PSAT and SAT programs.
- **Parent Support:** Workshops for parents on how to support their children through the college application, financial aid and scholarship processes.
- **College Visits:** Out-of-town college visits for all Yates seniors.
- **Scholarship & Financial Aid Support:** Yates students and families will receive assistance on applying for college financial aid and scholarships. Also provided will be tax preparation services to ensure FAFSA completion.
