Section 13. Mandatory Statement of Information.

(a) Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Section 4 of this Election Order, (ii) the purposes for which the bonds are to be authorized are set forth in Section 3 of this Election Order, (iii) the principal amount of bonds to be authorized is set forth in Section 3 of this Election Order, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the principal of and interest on the bonds and the costs of any credit agreements may be imposed, as set forth in Section 3 of this Election Order, (v) bonds authorized pursuant to this Election Order may be issued to mature over a specified number of years not to exceed the maximum number of years authorized by law and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Board, (vi) as of the date of the adoption of this Election Order, the aggregate amount of outstanding principal of the District's debt obligations is \$1,773,440,000, and the aggregate amount of outstanding interest on the District's debt obligations is \$664,414,866 (based upon the District's expectations relative to its variable rate debt obligations), and (vii) the District's ad valorem debt service tax rate as of the date of adoption of this Election Order is \$0.1667 per \$100 valuation of taxable property.

(b) Based upon market conditions as of the date of this Election Order, the maximum net effective interest rate for any series of the bonds is estimated to be 5.5%. Such estimated maximum interest rate is provided as a matter of information, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to

the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections. (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Propositions submitted by this Election Order.

Section 14. Authority of the Superintendent. The Superintendent shall have the authority to take, or cause to be taken, all reasonable or necessary actions to ensure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed. Without limiting the generality of the immediately preceding sentence, the Superintendent and his designees are hereby authorized to complete and update, as necessary, the exhibits hereto with the necessary information as same is made available to the District.

Section 15. Authorization to Execute. The President or Vice President of the Board is authorized to execute and the Secretary of the Board is authorized to attest this Election Order on behalf of the Board; and the President or Vice President of the Board is authorized to do all other things legal and necessary in connection with the holding and consummation of the Election.

* For illustration purposes only; preliminary, subject to change. Assumes issuances in 2025, 2026, 2027 & 2028.

(2) Assumed changes in estimated future appraised values within the District are as follows: assumes a 0.64% increase in appraised values in 2025 and a 1.00% annual increase in appraised values thereafter.

- (3) Assumes the availability of the Permanent School Fund Guarantee for each series of the proposed debt obligations.
- (4) Assumed interest rate on the debt obligations to be issued: 5.50%.
- (5) Assumes 4 bond issuances in 2025, 2026, 2027 and 2028.
- (6) Assumes a 30 year term for all 4 bond issues.
- (7) Assumes state-mandated \$100,000 homestead exemption.
- (8) Assumes homestead does not qualify for idiosyncratic exemptions, including, but not limited to, the state-mandated (a) \$10,000 homestead exemption for the elderly and disabled (for which tax payments are capped based on the homeowner's tax payment in the year the exemption is obtained), and (b) homestead exemption for disabled veterans and their families, surviving spouses of members of the armed services killed in action and surviving spouses of first responders killed or fatally wounded in the line of duty.
- (9) If the foregoing assumptions are met, the District does not anticipate the need for a tax rate increase to pay debt service on bonds issued pursuant to Proposition A. Therefore, the estimated maximum annual increase in the amount of taxes imposed on a residence homestead to repay the debt obligations, if approved, is expected to be \$0.00. However, whenever the District issues debt obligations, additional property taxes must be levied and collected to pay debt service on the debt obligations. Accordingly, Section 45.003, Texas Education Code, requires that the following statement appear on the ballot for all school district bond propositions: "THIS IS A PROPERTY TAX INCREASE," regardless of the anticipated impact on the tax rate.

The estimates contained in this Voter Information Document are (i) based on certain assumptions (including the major assumptions listed above and assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 1251.052, Texas Government Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to (and expressly do not) give rise to a contract with voters or limit the authority of the District to issue bonds in accordance with the Propositions submitted by the District's Bond Election Order.

* For illustration purposes only; preliminary, subject to change. Assumes issuances in 2025, 2026, 2027 & 2028.

- (2) Assumed changes in estimated future appraised values within the District are as follows: assumes a 0.64% increase in appraised values in 2025 and a 1.00% annual increase in appraised values thereafter.
- (3) Assumes the availability of the Permanent School Fund Guarantee for each series of the proposed debt obligations.
- (4) Assumed interest rate on the debt obligations to be issued: 5.0%.
- (5) Assumes 4 bond issuances in 2025, 2026, 2027 and 2028.
- (6) Assumes a 7 year term for all 4 bond issues.
- (7) Assumes state-mandated \$100,000 homestead exemption.
- (8) Assumes homestead does not qualify for idiosyncratic exemptions, including, but not limited to, the state-mandated (a) \$10,000 homestead exemption for the elderly and disabled (for which tax payments are capped based on the homeowner's tax payment in the year the exemption is obtained), and (b) homestead exemption for disabled veterans and their families, surviving spouses of members of the armed services killed in action and surviving spouses of first responders killed or fatally wounded in the line of duty.
- (9) If the foregoing assumptions are met, the District does not anticipate the need for a tax rate increase to pay debt service on bonds issued pursuant to Proposition A. Therefore, the estimated maximum annual increase in the amount of taxes imposed on a residence homestead to repay the debt obligations, if approved, is expected to be \$0.00. However, whenever the District issues debt obligations, additional property taxes must be levied and collected to pay debt service on the debt obligations. Accordingly, Section 45.003, Texas Education Code, requires that the following statement appear on the ballot for all school district bond propositions: "THIS IS A PROPERTY TAX INCREASE," regardless of the anticipated impact on the tax rate.

The estimates contained in this Voter Information Document are (i) based on certain assumptions (including the major assumptions listed above and assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 1251.052, Texas Government Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to (and expressly do not) give rise to a contract with voters or limit the authority of the District to issue bonds in accordance with the Propositions submitted by the District's Bond Election Order.

EXHIBIT D

PROPOSED CAPITAL IMPROVEMENTS TO BE FINANCED FROM THE 2024 BOND ELECTION AUTHORIZATION

The District is authorized by the Texas Constitution and laws of the State of Texas, including particularly (but not by way of limitation) Article 2784G, Vernon's Texas Civil Statutes, Subchapter A of Chapter 45, Texas Education Code, and Chapter 1371, Texas Government Code, together with all amendments and additions thereto (collectively, the "Act"), to issue bonds for the construction, acquisition and equipment of school buildings in the District (including the rehabilitation, renovation, expansion, and improvement thereof). Accordingly, the District intends to issue and use portions of the proceeds of the bonds described in Propositions A and B to undertake the capital improvement projects described below, all as authorized by the Act. However, if for any reason the Board determines that any of the projects listed below would not be in the best interest of the District or would be otherwise impracticable or no longer feasible, the Board by formal action may determine that such projects are impracticable or are no longer feasible and instead undertake a different project or projects authorized by the Act.
