MISSION

THE BOARD OF EDUCATION’S MISSION IS TO EQUITABLY EDUCATE THE WHOLE CHILD SO THAT EVERY STUDENT GRADUATES WITH THE TOOLS TO REACH THEIR FULL POTENTIAL.

BELIEFS

• We believe that equity is a/the lens through which all policy decisions are made.
• We believe that there should be no achievement gap among socio-economic groups or children of ethnic diversity.
• We believe that the district must meet the needs of the whole child, providing wraparound services and social and emotional supports.
• We believe our classrooms/schools should be safe, vibrant, joyful spaces where students are guaranteed access to a challenging and deep educational experience.
• We believe that instruction should be customized/personalized to meet the learning needs for each individual child, including students with disabilities, gifted and talented students, and English Language Learners, so they have the support and opportunity they need to flourish.
• We believe that recruitment and retention of qualified and effective personnel are the keys to enhancing the quality of education and increasing student achievement.
• We believe that the community has a right to transparent operations across the district in all schools, departments, and divisions.
• We believe that meaningful engagement with the community is important in all major decision-making.
The percentage of students reading and writing at or above grade level as measured by the percent of students at the Meets Grade Level standard on STAAR for grade 3 through English II shall increase by three percentage points annually from 37% to 46% between spring 2017 and spring 2020.

**GOAL PROGRESS MEASURE 1.1:**
End of year reading data collected on the District-wide screener shall annually show a three-percentage point improvement in the percentage of students reading on grade level from 38% to 44% between spring 2018 and spring 2020. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

**GOAL PROGRESS MEASURE 1.2:**
Grades 4 and 7 students shall be assessed in writing in the Fall and Spring; percent of students meeting the grade level standard shall increase at least three percentage points annually from 22% in spring 2018 to 28% in spring 2020. Results will be presented to the board after the fall and spring testing windows.
The percentage of graduates meeting the Global Graduate standards as measured by the College, and Career, Readiness component of the Texas accountability system shall increase three percentage points annually per year from the 2017 graduates baseline of 52 percent up to 67 percent by 2022.

**GOAL PROGRESS MEASURE 2.1:**
The percentage of students completing (earning a 70 or better) a career and technical education (CTE) course shall be reported for each semester and shall show improvement of 2 percentage points annually from 63.0 percent in Spring 2017 to 69.0 percent in Spring 2020.

**GOAL PROGRESS MEASURE 2.2:**
The percentage of students completing (earning a 70 or better) an Advanced Placement (AP) or International Baccalaureate (IB) course shall be reported for each semester and shall show improvement of 1 percentage point annually from 39.1 percent in Spring 2017 to 42.1 percent in Spring 2020.

**GOAL PROGRESS MEASURE 2.3:**
The percentage of students completing (earning a 70 or better) a dual credit or dual enrollment course shall be reported for each semester and shall show improvement of 1 percentage point annually from 10 percent in spring 2017 to 13 percent in spring 2020.
Among students who exhibit below satisfactory performance on state assessments, the percentage who demonstrate at least one year of academic growth, as measured by the STAAR Progress Measure, shall increase three percentage points annually in reading and in math from 57 percent in spring 2017 to 66 percent in spring 2020.

**GOAL PROGRESS MEASURE 3.1:**
The percentage of students identified as needing intervention in reading on the district’s screener who demonstrate growth from the beginning to end of year benchmarks shall increase three percentage points annually from 48% in spring 2018 to 57% in spring 2021. Results will be reported after each testing window.

**GOAL PROGRESS MEASURE 3.2:**
The percentage of students identified as needing intervention in math on the district’s screener who demonstrate growth from the beginning to end of year benchmarks shall increase three percentage points annually from 58% in spring 2018 to 67% in spring 2021. Results will be reported after each testing window.
The reading and math performance gap between historically underserved and non-historically underserved student groups, as measured by the average of the percentage-point gaps between economically and non-economically disadvantaged student groups at the Meets Grade Level Standard on STAAR between 1) economically and non-economically disadvantaged student groups, 2) African-American and White student groups, 3) Hispanic and White student groups, 4) English Learners (ELs) and non-English Learners (non-ELs), and 5) students receiving special education services and students not receiving special education services, shall annually show a one-percentage point decrease from an average of 30.3 percentage points in spring 2018 to an average of 27.3 percentage points in spring 2021. Monitoring of student performance for all groups listed above along with the specified gaps will be provided to the board. All student groups should make progress; therefore, if this average gap decreases but the percentage of students at the Meets Grade Level Standard on STAAR for any of the student groups listed in this goal declines, then this goal shall be considered not met.

GOAL PROGRESS MEASURE 4.1:
End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between economically and non-economically disadvantaged students performing at or above benchmark (40th percentile) from 24% to 21% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

GOAL PROGRESS MEASURE 4.2:
End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between English Learners (ELs) and Non-English Learners (Non-ELs) performing at or above benchmark (40th percentile) from 11% to 8% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

GOAL PROGRESS MEASURE 4.3:
End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between students receiving special education services and students not receiving special education services performing at or above benchmark (40th percentile) from 37% to 34% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.
