

The District shall support the general wellness of all students by implementing measurable goals to promote sound nutrition and student health and to reduce childhood obesity.

[See EHAA for information regarding the District's coordinated school health program.]

DEVELOPMENT,  
IMPLEMENTATION,  
AND REVIEW OF  
GUIDELINES AND  
GOALS

The local school health advisory council (SHAC), on behalf of the District, shall review and consider evidence-based strategies and techniques and shall develop nutrition guidelines and wellness goals as required by law. In the development, implementation, and review of these guidelines and goals, the SHAC shall permit participation by parents, students, representatives of the District's food service provider, physical education teachers, school health professionals, members of the Board, school administrators, and members of the public.

[See BDF for required membership of the SHAC.]

WELLNESS PLAN

The SHAC shall develop a wellness plan to implement the District's nutrition guidelines and wellness goals. The wellness plan shall, at a minimum, address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan and policy;
2. Objectives, benchmarks, and activities for implementing the wellness goals;
3. Methods for measuring implementation of the wellness goals;
4. The District's standards for food and beverages provided, but not sold, to students during the school day on a school campus; and
5. The manner of communicating to the public applicable information about the District's wellness policy and plan.

The SHAC shall review and revise the plan on a regular basis and recommend revisions to the wellness policy when necessary.

NUTRITION  
GUIDELINES

FOODS AND  
BEVERAGES SOLD

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold or marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules. [See CO and FJ]

FOODS AND  
BEVERAGES  
PROVIDED

The District shall establish standards for all foods and beverages provided, but not sold, to students during the school day. These standards shall be addressed in the District's wellness plan.

WELLNESS GOALS  
NUTRITION  
PROMOTION AND  
EDUCATION

The District shall implement, in accordance with law, a coordinated school health program with a nutrition education component. [See EHAA] The District's nutrition promotion activities shall encourage participation in the National School Lunch Program, the School Breakfast Program, and any other supplemental food and nutrition programs offered by the District.

The District establishes the following goals for nutrition promotion:

1. The District's food service staff, teachers, and other District personnel shall consistently promote healthy nutrition messages and food choices in cafeterias, classrooms, and other appropriate settings.
2. The District shall share educational nutrition information with families and the general public to promote healthy nutrition choices and positively influence the health of students.
3. The District shall ensure that food and beverage advertisements accessible to students during school hours on District property contain only products that meet the federal guidelines for meals and competitive foods.

The District establishes the following goals for nutrition education:

1. The District shall deliver nutrition education that fosters the adoption and maintenance of healthy eating behaviors.
2. The District shall make nutrition education a District-wide priority and shall integrate nutrition education into other areas of the curriculum, as appropriate.
3. The District shall provide professional development so that teachers and other staff responsible for the nutrition education program are adequately prepared to effectively deliver the program.
4. The District shall establish and maintain school gardens and farm-to-school programs.

PHYSICAL ACTIVITY

The District shall implement, in accordance with law, a coordinated health program with physical education and physical activity components and shall offer at least the required amount of physical activity for all grades. [See BDF, EHAA, EHAB, and EHAC]

The District establishes the following goals for physical activity:

1. The District shall provide an environment that fosters safe, enjoyable, and developmentally appropriate fitness activities for all students, including those who are not participating in physical education classes or competitive sports.
2. The District shall provide appropriate staff development and encourage teachers to integrate physical activity into the academic curriculum where appropriate.
3. The District shall make appropriate before-school and after-school physical activity programs available and shall encourage students to participate.
4. The District shall make appropriate training and other activities available to District employees in order to promote enjoyable, lifelong physical activity for District employees and students.
5. The District shall encourage parents to support their children's participation, to be active role models, and to include physical activity in family events.
6. The District shall encourage students, parents, staff, and community members to use the District's recreational facilities, such as tracks, playgrounds, and the like, that are available outside of the school day. [See GKD]
7. The District shall develop guidelines to ensure compliance with the state standards for physical education and physical activity.
8. The District shall use a state-approved program to enhance the physical education curriculum.

OTHER SCHOOL-  
BASED ACTIVITIES

The District establishes the following goals to create a safe, healthful food environment, to promote physical activity, and to promote and express a consistent wellness message through other school-based activities:

1. The District shall allow no less than 30 minutes (not including passing time) for students to eat meals in cafeteria facilities that are clean, safe, and comfortable.
2. The District shall promote wellness for students and their families at suitable District and campus activities.
3. The District shall promote employee wellness activities and involvement at suitable District and campus activities.

4. The District shall promote community partnerships and out-reach activities that support access to comprehensive health care and wellness activities.
5. The District shall provide a planned, sequential, age-appropriate health education curriculum that addresses the physical, mental, social, and emotional dimensions of health.
6. The District shall ensure that school buildings and grounds, structures, and equipment meet current safety standards and fire codes.
7. The District shall promote a climate of mutual respect on its campuses where all forms of discrimination, violence, and abuse are prohibited.
8. The District shall provide guidance and counseling programs to maintain and/or improve students' mental, behavioral, emotional, and social well-being through coordinated efforts that include students, parents, staff, and community members.
9. The District shall provide appropriate school-based health services in partnership with students, parents, staff, and the community. Where appropriate, school-based health services may also provide care and programs to staff, families, and community members.

IMPLEMENTATION	The health and physical education curriculum manager shall oversee the implementation of this policy and the development and implementation of the wellness plan and appropriate administrative procedures.
EVALUATION	The District shall comply with federal requirements for evaluating this policy and the wellness plan.
PUBLIC NOTIFICATION	The District shall inform and update the public about the content and implementation of the wellness policy, including posting on its website a copy of the wellness policy and the wellness plan, and the required implementation assessment.
RECORDS RETENTION	The District shall retain all records associated with the wellness policy, in accordance with law and the District's records management program. [See CPC and FFA(LEGAL)]
EFFECTIVE DATE	This policy shall be effective as of the adoption date, June 9, 2017.
