

Shevon Williams

Mrs. Williams graduated from the University of the West Indies, St Augustine campus, with a Degree in History and Social Sciences. She also attended the University of Houston Down Town, where she studied Psychology. Mrs. Williams spent most of her early adult life working in Human Resources and later transitioned to education by pursuing a career in Teaching. She has taught World Cultured and Texas History for the last four years. Mrs. Williams loves travelling and learning about new cultures. Due to her passion for children, and her love of the human spirit, she is very excited to learn and growing with her Baylor family. She is looking forward to an exciting year at BCMAR!
