# How to become a parent observer in Canvas

## **Step One - Student Generates Observer Code**

### Have your student log in to Canvas to retrieve the pairing code.

- 1. Once in Canvas, have them click on their photo in the left toolbar.
- 2. Click on settings.
- 3. Find "Pair with Observer" on the right of the screen.
- 4. Write down the pairing code and click ok. (The code is case sensitive)

Account	Notifications 1.		N Edit Settings	Pair with Observer
2.	Files	3.		Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one <b>4.</b>

## **Step Two - Parent Logs in to Canvas**

#### The parent signs up for a parent account with the observer code.

- 1. Go to houstonisd.org/canvasparents
- 2. Select "Parent of a Canvas User?" on the top right of screen.
- 3. Complete all information including the student pairing code that you retrieved.
