# Important Information & FAQs

**Website and Resources:** Our website (<https://www.houstonisd.org/Page/59378>) is your go-to resource for tournament-related information. Find the latest results and access valuable resources to enhance your understanding of UIL and its events. Use the provided link or scan the QR code for quick access.

**Registration with UIL:** UIL Coordinators must register annually with the UIL by [using this link](#).

**SpeechWire:** SpeechWire is the online platform for tournament registration and management. Create an account if your school doesn't have one. Reach out to the UIL Specialist for assistance, and find helpful resources on the HISD UIL website.

**Compensation for Coordinators:** Compensation for serving as a UIL Coordinator is determined at the school level. This is an agreement between the principal and the UIL Coordinator. Keep in mind, CPR/First Aid certification may be required. Check with your principal.

**Bus Usage:** Buses must be ordered at least 10 business days in advance. Schools that purchased a UIL package with transportation must follow the protocols as outlined below:

- Obtain approval from the Elementary/Middle School UIL Specialist prior to making bus arrangements. Failure to secure approval may impact the availability of funding for your bus trip.
- All bus trips must be under 10 hours in length.
- Manage bus trips within the allocated limits specified by the school's UIL package. Each school receives a designated number of bus trips corresponding to the number of tournaments included in their package.

**Required Forms:** To adhere to HISD protocols, the following forms are necessary:

- **UIL Professional Acknowledgement Form:** Annual completion for each UIL Coordinator.
- **Student Eligibility Form:** Required for each tournament; must be submitted before students compete. Students must be listed, and the form signed by a school administrator such as a principal or assistant principal. Schools are responsible for following Texas Education Agency eligibility guidelines.
- **Extracurricular Code of Conduct Form:** Mandatory for all student UIL participants. Schools retain completed forms.

**Parent Engagement and Participation:** Parents are pivotal to the success of UIL participants.

- **Guidelines for Parent/Guardian Attendance at Events:** Students may attend events with parents/guardians. Schools must comply with district policies for on-campus adult presence. All attendees, including parents/guardians, must follow HISD protocols. Verification of parental eligibility is the school's responsibility.
- **Parent Email Distribution List:** Parents are encouraged to join our email list ([CLICK HERE](#)) to stay informed. Share your email for invites to virtual pre-tournament meetings. Learn about contests, deadlines, and logistics. Coordinators, please share this form with parents. There is no-need for Coordinators to sign-up as they will also receive invites to the same meetings.
- **Parent-Run Programs:** Parent-led programs require on-site school employee presence during UIL tournaments. This requirement helps maintain the safety and oversight necessary for student involvement. Moreover, certain resources intended for Coordinators are exclusively accessible to those with an HISD email account. Therefore, collaboration between parent organizers and school staff is pivotal.

**Sweepstakes and Team Awards:** Results are posted after each meet, including Sweepstakes and Team Awards. Physical awards are not given for these categories. These recognitions mainly serve as a measure of performance.

**The Judge Pool:** Our judging pool is diverse, with experienced educators, professionals, college students, alumni, parents, and high school volunteers. This mix ensures comprehensive evaluations, minimizing biases. Their expertise upholds event integrity and creates positive experiences for all participants.

**Modern Oratory (MO) /Oral Reading (OR) Feasibility Test:** In recent years, MO and OR have been conducted virtually. This year, the first two tournaments will feature in-person trials for these events to assess feasibility. If in-person execution proves manageable, it will be maintained. Yet, if these events strain resources (rooms, judges) beyond sustainability, they will transition back to virtual format.

**Event Calendar:** When planning events, our main focus is minimizing conflicts between departmental activities (HS UIL, ES/MS UIL, HUDL Debate, and One Act Play). Scheduling can be complex, factoring in holidays, UIL requirements, and more. Event dates are generally fixed, barring extreme circumstances. If an event needs to be canceled do to inclement weather, we will attempt to reschedule if possible.
