|---|--|
| SUPERVISION AND
USE OF SCHOOL
PROPERTY | 1. Principals should develop a system that will ensure adequate supervision of school grounds before, during, and after school and on any school-sponsored occasion. See Reference (a). Two areas that are regulated include the use of motor vehicles and swimming pools. |
| MOTOR VEHICLE
RESTRICTION ON
SCHOOL
PROPERTY | a. The operation of any type of motor vehicle on the District school campuses by any person at any hour of the day or night is strictly prohibited, with the exception of students, teachers, administrators, and patrons in the pursuit of official school business. Any violation of these restrictions will be subject to fines and other penalties provided for in city and state statutes. See Reference (b). |
| SWIMMING POOL
SUPERVISION | b. The swimming pool on any school campus must be carefully supervised. No student is allowed to enter the pool unless a qualified lifeguard is present. See Reference (f). |
| USE OF
PLAYGROUNDS
AFTER SCHOOL
HOURS | c. The policy of the Board of Education making all District playgrounds available to children of the respective communities will be carried out by each principal or designee of said property. See Reference (c). Requests for the use of school playgrounds for organized activities should be made to the principal of the school for approval. Pedestrian gates will be left open at all times school is not in session. Principals that feel an exception should be made to this policy should submit a written request to their District superintendent, who in turn will make a recommendation to the Superintendent. |
| IMPROVEMENT OF
GROUNDS | 2. The additions of equipment, plants, fill dirt, etc.; to school grounds must have prior approval of the appropriate District Superintendent and the appropriate staff member of Facilities Management and Operations. See References (d), (e), and (g). |
| CONSULTATION | 3. This regulation does not require consultation. |
| MAINTENANCE
RESPONSIBILITY | 4. The chief academic officer, Academic Services, is responsible for maintenance of this regulation. |
