Premier School Category

Monthly Contest

Monthly, a top Imagine Math Pre-K2 and a top Imagine Math 3+ school in the district will earn the nomination as an Imagine Math Premier School of the Month. The monthly Premier School award will be based on the below formula:

Imagine Math 3+: highest average lessons passed per active student + highest average Math Helps per active student

Imagine Math PreK-2: highest average tokens earned per active student

Each top school will be awarded the monthly Imagine Math Premier School trophy and a \$50 school supply gift card.

**A school can only win once per semester but can win more than once during the school year. There must be 10+ active students in the program to be eligible monthly.*

Year-End Grand Prize

At the contest conclusion, the overall top Imagine Math PreK-2 school and the overall top Imagine Math 3+ school will be named an Imagine Math Blockbuster School of the Year based on the below formula:

Imagine Math 3+ Grand Prize School: highest average lessons passed per active student + highest average Math Helps per active student + highest average time on system per active student + highest average evening/weekend time per active student

Imagine Math PreK-2 Grand Prize School: highest average tokens per active student

Imagine Learning will host a school awards assembly that will recognize top student and class achievement, and will present a \$200 school supply gift card and the Imagine Math Blockbuster School of the Year trophy.

**Schools must have a minimum of 25 active students in the program during the school year to be eligible.*
