

Distance Learning Sites and Internet Information

If you are having trouble with Google Classroom or accessing the HUB, check out our [Vimeo Page](#).

<i>Site</i>	<i>Subject</i>	<i>Link/Location</i>	<i>Notes</i>
MyOn	Reading	HUB	Most students are used to this app.
Imagine Language and Literacy	Reading	HUB	Students that are learning English should work on Language/Literacy. Students that are fluent should use Imagine Reading. Both will level each student based on needs.
Ready Rosie (PK)	Reading	https://www.houstonisd.org/readyyrosie	
Scholastic Learn at Home	Reading	https://classroommagazines.scholastic.com/support/learnathome.html	
Tumble Books	Reading	HUB-HPL Learning Link	
Audible	Reading	https://stories.audible.com/discovery	If possible, have the student read a physical copy of the book while listening to increase fluency.
Newsela	Reading	https://newsela.com L	This is an up to date news site targeted for students based on their age and reading level.

Distance Learning Sites and Internet Information

CommonLit	Reading	https://www.commonlit.org/	
Starfall	Reading	https://www.starfall.com/h/	
Storyline Online	Reading	https://www.storylineonline.net/	
Typing Club	Reading	https://www.typingclub.com/sportal/program-3.game	With the increased importance of computer literacy, learning to type is immensely important.
Readworks	Reading	http://readworks.org/	
Time For Kids	Reading	https://www.timeforkids.com/	
Funbrain	Reading	https://www.funbrain.com/	
Dreambox	Math	HUB	
Imagine Math	Math	HUB	
Khan Academy	Math	HUB	
GO MATH	Math	HUB	
Prodigy	Math	https://www.prodigygame.com/	This is a fun game similar to Pokemon. The students can create a character, battle friends, and go on adventures. It is also leveled for each

Resource	What for	Link
Internet Essentials-2 free months	Only for new customers/if you do not have internet	https://www.internetessentials.com/
Comp-U-Dot	Free computer	https://www.compudopt.org/covid
HISD @HOME	District information on distance learning	https://www.houstonisd.org/home?fbclid=IwAR2INC2LgrMNChFVLZUECpAwuh01ofloYmLINBS0Y8FTySZNjX9IJOzvpvE

Laptops can only be logged in on HISD network for any new user. They have to visit any campus and park closer to the building and then in the car they should get WiFi. Log in and wait for the full profile to load before shutting it off or closing the laptop. Make sure it is HISD-WiFi.

Las computadoras portátiles solo pueden iniciar sesión en la red HISD para cualquier usuario nuevo. Tienen que visitar cualquier campus y estacionarse cerca del edificio y luego, en el automóvil, podrán obtener WiFi. Inicie sesión y espere a que se cargue el perfil completo antes de apagarlo o cerrar la computadora portátil. Asegúrese de que sea HISD-WiFi.

Distance Learning Sites and Internet Information

Your child can have access from school or home to the following websites or Apps:

- **Imagine Language and Literacy**
to enhance Reading and Language Skills
- **Imagine Math**
to develop Math Skills
- **myON Digital Library**
to explore over 6,000 digital books for independent reading
- **Digital Literacy for Learning.com**
to improve Keyboarding and Computer Skills

How to have Home Access:

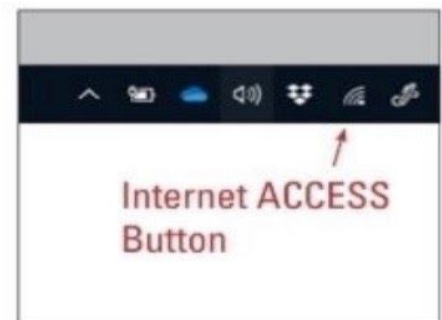

- Open a web browser (preferably Chrome) and access the HUB (Clever) at houstonisd.org/hub.
- When prompted with the Houston ISD Login Service Screen, enter:
 - a. **Your Child's Username: Student\S#####**
("#" is your child's student's ID number)
 - b. **Your Child's Password: XXXXXXXX**
("X" is the student's 8-digits birthday. For example, August 10, 2008 is 08102008)
- Click on the tab for **Digital Resources**. (You might have to click on "More" and drag down to Digital Resources.)
- Next, scroll down and click on Imagine Language and Literacy, Imagine Math, Digital Literacy or myON.

We hope you find these programs as exciting as we do for helping your child have summer fun improving their Reading, Language, Math, and Technology Skills.

Distance Learning Sites and Internet Information

Xfinity has opened up every hotspot in the nation to accommodate student learning at home. From your computer's internet access button in the bottom right corner, click to select an Xfinity Network Link. **No password needed.**

<https://hotspots.wifi.xfinity.com/>

If your computer will not connect to the Xfinity Network, follow the hotspot link above or **scan the code with your phone** to view the Xfinity Network Finder. **When it opens, click on "No Thanks" to see the finder.** You can also try parking at your child's school to download any needed documents and then work offline to complete the work.

Distance Learning Sites and Internet Information

Xfinity ha abierto todos los puntos de acceso en la nación para apoyar el aprendizaje desde casa para estudiantes. Desde el icono de acceso a internet en su computadora localizado en la esquina inferior derecha, haga clic y selecciona la red de Xfinity. No se requiere contraseña.

<https://hotspots.wifi.xfinity.com/>

Si su computadora no se puede conectar a la red de Xfinity, siga el enlace al punto de acceso de arriba o **proceda a escanear el código desde su teléfono** para abrir el Buscador de Redes de Xfinity. **Cuando abra, haga clic en, "No Thanks" para ver el buscador.** También puede conducir hasta la escuela de sus hijos para descargar todos los documentos necesarios y después trabajar fuera de línea para completar las asignaturas.
