

MyOn Reading Challenge

Starts on Monday, March 28th

- Promote our MyOn Challenge.
- The goal is to get students to read 10 books.
- Every time a child reaches 10 books, send their name to the office to participate in a raffle. (A child has the opportunity to enter more than once)
- We will announce weekly the class with the higher number of books read on MyOn.
- At the end of April, the class with the most points will receive a **Dance Party** and treats. If your class wins, you get the free time in your class during the party.
- Join in the fun and help us promote reading at home and at school.
