Dear Students and Parents,

The School Handbook has been written to provide important information concerning specific rules, policies and procedures related to the safety and operation of our school. For Ashford Elementary School to operate safely and efficiently, you and your student(s) must be familiar with and abide by the expectations, procedures and rules outlined in this handbook.

The student handbook summarizes district policy and contains general guidelines and information. Refer to official policy and regulation documents for specific information at https://pol.tasb.org/Home/Index/592. In the event of a conflict between this handbook and a Board policy or regulation, the Board policy or regulation takes precedence and controls. In the event of a conflict between this handbook and any applicable law, the applicable law takes precedence and controls.

This handbook’s content may be changed from time to time throughout the 2021-2022 school year. An up-to-date version will be maintained online at https://www.houstonisd.org/ashfordes. Ashford Elementary School will provide notice of changes through campus mail and/or call outs. We will also utilize our social media platforms to keep our families informed. It is the responsibility of students and parents to review such changes and to remain apprised of the current version of the handbook. If you have any questions regarding this handbook, please contact me at 281-368-2120.

Sincerely,

Ashford Elementary School

Ashford Elementary School opened in 1971 in West Houston's Shadowbriar community. Originally, Ashford was a primary campus serving students in pre-kindergarten through second grade until the 2014-2015 school year. At the start of the subsequent year, Ashford yearly added a grade level and now serves students from pre-kindergarten through fifth grade. Additionally, Ashford school's architecture served as an open-space school where there were no physical walls separating classrooms, a very popular theme emergent in the 1970s public school system. However, today the classes are self-contained by classroom spaces. With the opening of our two new wings, all grade-level school rooms have become housed in permanent buildings specifically designed to meet the young learner's needs.

Mission Statement

Our mission at Ashford Elementary School is to provide the foundation to empower each student to become a life-long learner with the skills needed to thrive in today's global society.

Vision Statement

We believe in the importance of working together side-by-side with families and community members to ensure we provide the best quality holistic educational experience for all Ashford Eagles.

*It is our vision that Ashford Elementary becomes a premier elementary campus in the Shadowbriar community that is recognized locally and nationally for producing an exceptional foundation for future global graduates thriving in college, career, and society.*

General Information

After-School and Evening Events
Students and siblings must be accompanied by a parent or guardian at after-school/evening events (e.g., music programs, academic nights, etc.). A student may not attend an after-school/evening event unless the student was in attendance for the full school day on the day of the event. Exceptions may be made to this practice on a case-by-case basis with the approval of the building administrator.

Arrival and Dismissal of Students
Students may arrive at school at 7:15 a.m. Students are to report to the designated areas upon arrival.

- PALS / PK / KINDER: MAIN ANCILLARY HALLWAY
- FIRST / SECOND: MAIN LEFT HALLWAY – BUILDING 1
- THIRD / FOURTH / FIFTH: MAIN RIGHT HALLWAY – BUILDING 1

All students are to be in class by 7:30 a.m. We welcome parents to walk their children to class on the first day of school; following the first day, please allow your child to walk to class on his or her own. Staff are on duty to help children that may need additional assistance.

Parents are not permitted to walk students to class on the first day of school. Students will adjust fine to school policies and learn to engage with their peers and adults. There will be a hug zone (outside of the building) for parents to hug their little ones and say see you later!

School is dismissed at 3:00 p.m. Your child should be picked up no later than 3:15 p.m. We understand that events will occur which may require a parent to be late. Please call the office to inform us of your arrangements. If you are unable to pick up your child/children on time, please make after-school childcare arrangements. The proper authorities will be contacted on behalf of those students who are not picked up by 3:15 p.m. due to child well-being concerns. If you are late picking up your child, you will be required to come into the building and complete the late pickup sign-out log.

PLEASE NOTE: IN THE INTEREST OF STUDENT AND STAFF MEMBER SAFETY AND BUILDING SECURITY, PARENTS ARE NOT ALLOWED TO WALK STUDENTS INTO THE BUILDING FOR DROPOFF DURING MORNING ARRIVAL TIMES.

PLEASE NOTE: Prior to 7:30 a.m., only office visitors or parents/guests with a scheduled appointment will be admitted into the building. After 7:30 a.m., parents or guests must check in at the front desk and have a visitor badge to proceed to their respective location on campus.
Car riders are picked up at the front of the school on Shannon (in a separate area from the bus pick-up/drop-off zone, which is located on Whittington Dr.). Cars are required to enter the line from the Shannon Valley Dr. Lining up on Waldemar, Brandywyne, or Rincon Street and turning onto Shannon Valley is prohibited by law during morning arrival and afternoon dismissal times.

A student is a “walker” only if he/she is walking home on his/her own. Parents must sign a release form that authorizes the student to walk home and acknowledges that students (regardless of grade level or age) dismissed as walkers are not supervised by Ashford staff anywhere on campus after regular school hours, including the Ashford SPARK Park. Walkers exit at the first gate at the Spark Park field that connects to the Ashford school gate. Parents are able to meet their students on the Spark Park track between the dividing gate to receive their student(s). Those parents picking up their students from where the walkers exit may not park in the small U-drive parking lot or obstruct the carpool line. Crossing the street illegally is done at your own risk and those infractions are subject to fines from Harris County Police Department or HISD Police Department.

**DRIVING, PARKING, AND PEDESTRIAN SAFETY:** Please obey posted signs and driving laws and exercise good safety practices when dropping off and picking up students in the mornings and afternoons. Please follow these rules:

- Do not use a cell phone while driving in the school area. Distracted driving presents a danger to car riders and pedestrians alike.
- Adhere to the school speed zone limit of 20 mph.
- Do not pull out of the Shannon Valley car rider line early or go around the line as this presents a safety hazard. Students should remain in the car until reaching the cafeteria entrance.
- Cars parking or standing within 30 feet of crosswalks is prohibited by law.
- Cars should not block intersections at any time.
- Do not make U-turns on streets around the school during heavily congested times.
- Do stop while school buses are stopped to load and unload students.
- When dropping off or picking up students, stop your car on the right-hand side of the street and have your children get in and out of the car on the curbside.
- When crossing the street, students should cross with the crossing guard at the crosswalk.
- Do not park your car in areas marked “No Parking”. It poses a safety risk to students and police give tickets in these areas.
- Follow directions of the faculty and staff guiding traffic.

**PARENTAL CHANGE OF STUDENT DISMISSAL PLAN:** As an extra safety precaution, any changes requested to a student’s afternoon dismissal plan must be communicated directly to the Ashford Elementary office. An email to your child’s teacher is encouraged but will not suffice as the only means of communicating a dismissal change. The office will require that a parent communicating a dismissal change over the phone must provide the driver’s license number that is written on the student’s enrollment form on file with the school. To inform your child of a change in his/her dismissal plans, please notify the office by 1:30 p.m., and the message will be relayed to your child’s teacher.

For arrival and dismissal maps see the last page of this handbook.
Appointments / Early Departures
We encourage you to schedule your child’s doctor and dental appointments around school hours and advise you to keep early departure requests to a minimum. The last minutes of a class day are as important as the first minutes of the day. Teachers use this time to summarize and recap what was learned during the day. They also use the time to organize information for homework. It is very important that children complete the day with their classes.

If scheduling an appointment before or after school is not possible, you must: Come to the main office to sign out your child for your child to be released. Your name must appear on the enrollment card. Present a picture I.D. If your child is cleared by the doctor/dentist to return the same day to school, present the doctor/dental note upon return. Early releases will be monitored by the attendance office. A pattern of regularly leaving the school early is also grounds for automatic retention, non-renewal of transfer and/or court action for you and your child. We request a 24-hour notice of doctor appointments so we may prepare any work the student may miss and send home with them to complete.

In order to help us ensure the safety and security of our children, students will not be dismissed after 2:00 p.m. Students will only be checked out to adults who are listed on the enrollment form. Students who leave campus before dismissal will not be called to wait in the front office before parent/guardian arrives. They will be called to the front office when the parent arrives at the office and completes sign-out procedures. If an emergency requires that your child be released to someone else, you must provide written notice. Students will not be released to anyone under the age of 18.

Attendance and Tardies
Ashford Elementary is committed to the philosophy that every student should attend every class, every period, every day. Daily attendance and promptness are expected in all classes and are essential for success in school. Since attendance represents a critical part in the overall success of each student, when a student’s absenteeism is excessive, the school will send a letter to the student’s parents/guardians. The letter states the total number of student absences and the importance of school attendance. If the student’s attendance does not improve, the school will take additional steps to ensure the parent/guardian is aware of the student’s poor attendance.

The official attendance for the day is taken at 9:00 a.m. A student who is not physically on campus at 9:00 a.m. is absent unless they present official documentation of a visit made that same day to a doctor, dentist, or other medical/clinical professional.

Attendance Guidelines:
1. Daily Absence Reporting:
   a. Parents/guardians should notify the school by telephone each day a student is absent. If the parent/guardian fails to notify the school, the school will attempt to contact the parent/guardian. The district will also send out communication every time a student is absent to the parent/guardian.
b. All absences, including those approved in advance by parents or guardians or school officials, except those for school-sponsored activities, will count against a student’s attendance.

c. The school encourages parents to schedule doctor and dental appointments after school hours.

d. Excessive absences can result in an automatic retention, non-renewal of transfer and/or court action for you and your child.

e. Notes received after 3 days will automatically be considered unexcused.

f. Parents/guardians may be required to submit supporting documentation in order to excuse the absence of their student if student absenteeism is excessive. For example, for the absence to be excused, parents/guardians may be asked to submit written notification from a licensed physician stating the reasons why a student is unable to attend school.

2. **Tardiness:** A student is tardy if she or he is not present at the start of class. A student arriving to class after 7:35 a.m. without proper authorization is considered truant. A student arriving late to school must report to the office for a tardy pass **with their parents.** Students who are frequently tardy may be subject to disciplinary measures. A pattern of regular tardiness is also grounds for automatic retention, non-renewal of transfer and/or court action for you and your child.

3. **Excused Absences:** The only acceptable excuses for an absence to be excused are:
   - Personal illness (fever, vomiting or diarrhea)
   - Dental or doctor appointments (note required from physician)
   - Death in the family
   - Quarantine
   - Weather or road conditions making travel dangerous determined by district and county authorities
   - Emergencies or any unusual circumstances recognized by the principal
   - Observance of religious holidays
   - Health services provided to Medicare-eligible students
   - School sponsored or school sanctioned activities away from the campus (no parent note required)
   - Court appearance of the students-documentation required

When we receive notes from parents with acceptable reasons for absence or notes from a doctor on their stationary, these absences are considered excused absences. Excused absences will cause a student not to have perfect attendance but will not be considered truancy unless there is an extreme number. **Written excuses from parents will only be accepted for 3 absences to be counted as an excused absence. Written excuses from your child’s doctor will only be accepted for 5 absences to be counted as an excused absence.** If you need any additional absences to be counted as excused absences, the parent will need to meet with the Principal or School Nurse to have them excused; otherwise they will count as unexcused absences.

4. **Unexcused Absences:** Family vacations and midyear trips are unexcused. Please plan your family vacations/trips around the 2021-2022 school calendar. Research shows that loss of more than five days of school could greatly impact social and academic
achievement. All other reasons will be considered an unexcused absence if not approved by the Principal.

Every moment is a learning moment when your child is at school. We work to make the most of your child’s educational experience when they are here.

**Compulsory School Attendance Laws**

**TO PARENTS OR TO PERSONS STANDING IN PARENTAL RELATION TO CHILDREN**

This section is to inform you of Senate Bill 1432 as passed by the Texas Legislature effective September 1, 2001. The law states that if a student is absent from school three (3) days or parts of days in a four week-period without parental consent or is absent without an excuse for ten (10) or more days or parts of a day in a six-month period:

• The student’s parent or legal guardian is subject to prosecution under Texas Education Code 25.093

• The student is subject to prosecution under Texas Code 25.094

It is your duty to monitor your child’s attendance, require your child to attend school and request a conference with a school official to discuss absences. Parents or legal guardians are subject to prosecution under Texas Education Code 25.093 (b) for failure to require their child to attend school.

Once enrolled in a Texas public school, all children beginning at age 4 (PK) are subject to the Compulsory School Attendance laws.

**Perfect Attendance**

Perfect Attendance will be awarded at the end of the school year to students without any absences and tardies.

**Birthday Treats**

Per Texas Department of Agriculture policy regarding birthday treats at school, if a parent wishes to celebrate a child’s birthday, they may bring store bought cupcakes or cookies (one per student) to school. No other items are permitted such as candy, sheet cakes, juice, sodas or fast food items. In order to address any known allergy concerns, label listing ingredients should be affixed to the package. Homemade treats will not be distributed to students. Items that do not meet these guidelines will not be served and will be sent back home at the end of the day. Healthy snacks are encouraged.

To maintain our instructional focus, teachers will allow your child to share store bought cupcakes or cookies with classmates at the end of the day. Parents should send the food items to school in the morning in a sturdy container. **Parents are not allowed to interrupt instructional time to drop off items or supervise this activity.** No party type activities will take place including group photographs, balloons, gifts or party favors. Please do not hand out party invitations at school unless all children in the class are to receive one. We ask that parents notify their child’s teacher if they prefer that their child not participate in birthday celebrations, or if a child has a food allergy.
Breakfast, Lunch and Snacks

Ashford offers a state- and federally approved breakfast and lunch program. Menus can be found on the district website.

Food service maintains an account for each student. An account balance, a listing of student purchases on the student’s account as well as other account options are available for parents at [www.schoolcafe.com](http://www.schoolcafe.com). Students are encouraged to purchase meals in advance in lieu of carrying cash daily. We recommend all breakfast and lunch payments be made online at [www.schoolcafe.com](http://www.schoolcafe.com). If there are any outstanding balances for lunch, your child will not receive a regular lunch but will receive a sandwich and milk until the outstanding balance is taken care of. New students will incur the daily charge until the application has been approved.

Students may also bring lunch. Please label lunch boxes with your child’s name. Soda and fast food lunches are discouraged.

**Free and Reduced Lunch:**

Breakfast is currently free for all Ashford students and is provided in the classroom.

Students may be eligible for free or reduced-price lunch based on federal income guidelines. Forms are available in the school office and on the district website. Surveys must be submitted for each household annually, and they may be submitted at any time during the school year should the need arise. Disclosure of free and reduced-price meal application and eligibility information will be limited in accordance with applicable law.

**Breakfast:** Monday through Friday 7:30 a.m. to 7:45 a.m.
**Lunch:** Teacher will provide a daily lunch schedule to parents.

**FEDERAL CAFETERIA GUIDELINES**

- Food cannot be shared (siblings, parents and classmates may not eat off each other’s plates).
- Outside food can only be brought for your child.
- Food may not be taken out of the cafeteria.
- Under no circumstances is a parent or guardian to eat off a child’s plate

**DESIGNATED DAYS TO EAT LUNCH WITH YOUR STUDENT**

Calendar

Please refer to the [2021-2022 Academic Calendar](#) for important dates such as holidays and report card dates. A school monthly calendar will be sent at the beginning of each month. All school-wide communications will be sent home on Wednesdays in the students’ “Communication Folder”.

Cancellations and Emergency Closings
Make a plan for rainy or “bad” days. Be sure that your child is familiar with your plan and can follow it. Please do not call the school office with instructions and messages. This should be handled in advance.

If it is necessary to close school for the day because of weather conditions, this information will be carried by all local radio and television stations. Please do not telephone the school, the Police Department or local stations. This will tie up needed communication lines. Whenever possible, the decision will be made before 6:30 a.m.

Occasionally it is necessary to dismiss school during the school day. Please have a plan for your child to follow in such a case. HISD buses will run in these instances and information is carried on all local radio and television stations. Please do not plan to call the school with last minute instructions; this will be impossible with the number of students we have enrolled. If school is closed during the day, parents should come as quickly as possible to pick up their students.

If Houston has severe weather conditions, watch the TV or listen to the radio; HISD will inform the media when schools are closed.

The principal does not have the authority to cancel or close school. HISD’s superintendent has the authority to cancel or close schools. Please listen to the news for any decisions made by the superintendent.

District Announcements via School Messenger:

Take control of how you are notified about meetings, events, and other district news at HoustonISD.org/SchoolMessenger. Select how you want to be communicated with – calls, texts, or emails. Keep your contact information updated. Make changes to your settings at any time. Mobile users: Download the free SchoolMessenger app to have notifications at your fingertips.

Carpool Car Tags

All students will receive a carpool tag. Parents MUST place this tag on the rearview mirror to expedite the carpool process. If you need additional tags, please come to the front office with your ID and we will provide you with another tag.

Cellphone/Electronics

Students are allowed to have a cell phone in their backpack to use only to communicate with parents after school starting at 2:00 p.m. Cell phones and other electronics are not allowed to be on or used during the school day. Cell phones and electronic devices that are visible (seen or heard) during the school day will be confiscated and turned in to the office. The parent will be contacted by either the teacher or an administrator. The student’s parent will have to come to the office to retrieve the phone by paying a $15.00 fee as stated in the Code of Student Conduct to pick up the phone. The school will not be held responsible for lost cell phones and other electronic devices.

Note: Ashford Elementary is not responsible for lost, stolen, or damaged electronic communication devices or any charges incurred while said phones & electronic devices are on campus.
Cell Phone During Testing
Teachers will collect all student cell phones, label them, and secure them in a large ziplock bag until the end of testing. Any student who violates the Cell Phone Policy during testing will be subject to having his/her test invalidated and will be removed from the testing environment. Parents will be notified of this decision. Students will not be allowed to make up any portion of his/her assessment missed due to this infraction. This infraction is also considered a state irregularity/procedural issue that is filed with the Texas Education Agency.

Change of Address/Telephone Number
For the school to handle emergencies, maintain communication, and keep records current, please notify the school office immediately of address or telephone number changes.

Civility Policy
Ashford Elementary has adopted a civility policy (Board Policy GKA). The policy relates to the use of respect and courtesy in relationships and communication among school officials, students, parents and members of the public. A copy of Board Policy GKA is available for review in every school building and on the district’s website. The purpose of the policy is to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for students and staff.

Uncivil behavior is defined as any behavior that is

1) physically or verbally threatening, either overtly or implicitly, as well as behavior that is coercive, intimidating, violent or harassing, and
2) directed toward employees, students, parents, patrons, visitors or anyone having business with the district.

Examples of uncivil behavior include, but are not limited to:

1) use of profanity;
2) personally, insulting remarks;
3) attacks regarding a person’s race, gender, nationality, religion, disabling condition or any other personal characteristic, or
4) behavior that is out of control.

Students who violate this policy may be disciplined. Parents who violate the civility policy may be restricted from being present on school district property or have restrictions placed on their communications with district personnel.

Classroom Parties
Class parties are limited to two (2) per year by HISD policy. Ashford will hold parties before Winter Holiday and at the end of the school year. Students may distribute Valentine’s Day cards, but students will not have a party on this day.

Classroom Placement
Ashford Elementary assigns students to their next year class through collaborative efforts of their current classroom teacher, administrator and principal. When applicable, special education
teachers and/or intervention specialists also provide input. Many factors are considered in the process of creating balanced classroom groups, including learning styles, gender equity, academic achievement level, behavior, study work habits and peer relations. Parent requests for specific classroom teachers are not accepted. However, some parents may like to offer input as to their children’s learning needs. Once class placements have been made, requests for changes will not be considered.

**Communication Folder**

Teachers will communicate with parents via telephone, e-mail, school agenda/notes, or personal contact. You are always invited to schedule a conference with your child’s teacher during their conference period. Remember not to interrupt your child’s teacher during their instructional time as they are responsible for all children’s learning.

Parents should expect a Communication Folder to be sent home with each student every Wednesday. This folder will be a regular form of communication between school and home. Each student should return the folder to school every Thursday, so it can be used each week. For additional information, please contact your child’s teacher.

**Parent Signatures:**

In order to keep track of your child’s progress in school and maintain awareness of school activities, it is important for parents to monitor what students bring home. The school monitors parent awareness through parent signatures. Please help us keep an open line of communication by signing student folders and reading log sheets, field-trip permission forms, discipline notes, etc.

**School Counseling and Counseling Programs**

School counselors are uniquely qualified to address all students’ academic, career and social/emotional development needs by designing, implementing, evaluating and enhancing a comprehensive school counseling program that promotes and enhances student success. School counselors are employed in elementary, middle/junior high and high schools; in district supervisory positions; and counselor education positions. School counselors serve a vital role in maximizing student success through leadership, advocacy and collaboration, school counselors promote equity and access to rigorous educational experiences for all students. School counselors support a safe learning environment and work to safeguard the human rights of all members of the school community and address the needs of all students through culturally relevant prevention and intervention programs that are a part of a comprehensive school counseling program. The development of the school counseling program is based on the following areas of The American School Counselor Association ASCA National Model: foundation, delivery, management, and accountability.

**NOTE:** School counselors adhere to the Texas Administrative Code Standards, Rule 239.15

**Criminal Code Notifications**
Pursuant to Chapter 62, Article 62.03 and 62.04 of the Code of Criminal Procedure, effective September 1, 1997, notification is hereby made of our procedures for school notification of registered sex offenders.

The official notification is received by the Superintendent of Schools who then forwards copies to each school. A file is maintained in the main hallway for public inspection of all offender notices received.

The notice may include any information deemed necessary to protect the public including, name, gender, race, date of birth, street name and zip code of offender's residence, offense, age of the victim, and date of registration. Information is available during regular business hours.

Curriculum and Online Resources
Houston ISD provides the HISD Curriculum, an aligned, standards-based, balanced, and rigorous curriculum that specifies the standards (the Texas Essential Knowledge and Skills) for each grade level, subject area, and course. This curriculum supports student academic growth and achievement and meets state guidelines to prepare students for national, state and local assessments, including the State of Texas Assessments of Academic Readiness (STAAR). The required HISD Curriculum includes: • a core foundation curriculum consisting of reading and language arts (reading, writing, listening and speaking), mathematics, science, social studies, dual language, and • a core enrichment curriculum consisting of languages other than English, health, physical education, fine arts, and technology applications. The HISD Curriculum defines the expectations for student learning district wide. The HISD Curriculum aligns to the Texas Essential Knowledge and Skills (TEKS), the English Language Proficiency Standards (ELPS), and the College and Career Readiness Standards (CCRS).

NOTE: Teaching these state standards is required by Title 19, Part II, of the Texas Administrative Code (TAC)

Custody

If you and your spouse are separated/divorced and you have legal/primary residential custody of your child(ren), we need to have a copy of your custody papers on file. If at any time you feel that a problem may occur, we need to have knowledge of this in the school office. This is the only way we can be of any help in preventing additional problems from happening at school.

Deliveries to School / Forgotten Items

Occasionally, as students exit their cars in the morning, they realize that they have forgotten a lunch, backpack, instrument, etc. You may leave those items with the front office and we will ensure your child receives it.

Items (homework, lunch kits, etc.) forgotten in the classroom after dismissal may not be retrieved until the following day due to safety concerns and encouraging student responsibility for items.
Personal items needed during the school day must be dropped off by a parent/guardian, adult household member or person authorized by the parent/guardian. Please don’t make a habit of dropping off lunch every day for your child. If this becomes an issue, the school reserves the right to not accept items daily due to parent irresponsibility. This policy is also subject to change due the fluid nature of COVID-19. If this policy changes it under the guidance from district, city, and county health officials.

The possession of laser pointers and other unsafe electronic items is prohibited in the school buildings. All other electronic devices, such as, but not limited to, cell phones, tablets, e-readers, headphones, and iPods/MP3 players may be in the student's possession as long as the device remains off and is not visible during the school day. The school district will not be responsible for lost or stolen items.

Any cell phone usage, picture-taking or text messaging is prohibited during school hours.

After 30 days, the principal or other administrator will notify the parent of intent to dispose of the device. Any electronic device not claimed will be sent to HISD Property Management for disposal.

Emergency Drills

Our school has developed an emergency plan for any crisis which might occur. This emergency plan is devoted to the welfare and safety of your child during school hours. We have a crisis management team that reviews, updates, and trains the staff to care for your child at school. The school is one of the safest places’ students may be located during most crises or natural disasters.

Students will be informed of the appropriate action to take in an emergency. Drills for fire, weather and other emergencies shall be conducted each school year in accordance with the requirements of the district and Fire Marshall. Evacuation routes are posted in each room.

You will be notified of crisis situations. For this reason, do not telephone the school during such an emergency. Telephone lines may be needed for emergency communication. Therefore, it is critical that you provide the school with correct home telephone numbers, work numbers, cell phone numbers, etc. By providing as many telephone numbers as possible the chances of our being able to contact you in the event of an emergency increases.

While all of us certainly hope the need for an emergency evacuation never arises, it is important that parents be aware that staff and children will be prepared in case of an emergency.

The campus emergency operations plan addresses the following:

• Entry and egress to-and-from the campus • Procedures for sign-in and identification of all visitors including parents, volunteers, patrons, contractors and/or vendors (a visitor
management system is required) • Procedures for contacting police for the removal of unauthorized access intruders • Security of administrative offices • Security of files • Location of Automated External Defibrillators (AEDs) • Security of classrooms • Safety Council meetings/minutes/follow-up actions • Routine facilities and grounds (general and specific) safety inspections

The campus emergency operations plan includes: • An updated Incident Command System (ICS) chart, including names, titles, and functions • A list of members of the Safety, Security, and Emergency Preparedness Council IV-53 • Names of individuals on campus trained in CPR, AED, and Standard First Aid • Name of the individual(s) responsible for unlocking pedestrian/perimeter gates during emergencies/evacuation • Bus pick-up location for use during a bus evacuation • Evacuation site plan specifying pre-designated relocation sites north, south, east, and west of the campus, including the names of location sites where students will/may be reunited with parents (e.g. a church, restaurant, hospital, campus/college) • Procedures for activating fire/emergency alarms for emergency notification • Directive to teachers to carry, on their person, the class roster/grade book during emergency practice drills or real emergencies • An employee fan-out system • Areas to be used by parents during emergencies if/when perimeters gates are locked • Training dates when teachers on the locations and use of fire extinguishers and emergency procedures • Campus map with a key/legend that identifies the location of parking lots, sidewalks, gates, flagpole, driveways, ambulance loading, and emergency entrance/exits

If there is a need to contact you during the day, school personnel will use the telephone numbers listed. **If there is a change of address or telephone number during the school year, please notify the school office.** It is very important for the safety of our students that the parent’s home, business and emergency numbers are kept current during the school year.

A parent may be required to accompany their child on the field lesson if the teacher has concerns regarding the student’s ability to stay with the group or follow directions. Our group represents the school while on field lessons; therefore, the appearance and conduct of everyone should be exemplary. School uniforms are required for field lessons.

**Chaperones for Field Lessons:**

Parents may drive personal vehicles to field lessons, but those parents may not act as chaperones for other children on a field lesson. Appropriate attire must be worn that is conducive to a school setting. Parents may not bring siblings or other family members or friends on field lessons. Parents on field lessons are there as chaperones to support the classroom teachers. Parents are not to take their child or any children away from the group or outside of the teacher supervision. **Parents are not allowed to take their child home after a field lesson. Students are to complete the full instructional day and be dismissed at 3:00 p.m.** The principal reserves the right to limit the number of chaperones or deny certain individuals from acting as chaperones.

**Grading System**

**PowerTeacher Pro:** HISD uses a web-based grading system called PowerTeacher Pro. Parents can use this tool to monitor their child’s academic progress throughout the school year. To register for these services, go to www.houstonisd.org and click on the Parents tab. There is a banner at the top of the page titled **Parent Student Connect.** From here you can register as a first-time user, log-in, or seek help. To register, you will need to have the following information: parent first and last name, student ID number, student address, student date of birth, and the last five digits of the student social security number. If the child does not have a social security number, or if this information has not been provided to HISD, use the last five digits of the “S-Number” provided to your child. Please call the school if you do not know this number.

**Progress Reports:**

Elementary progress reports are sent to parents four times during the year; the fourth week of the six-week cycle. Ashford is participating in HISD’s Primary Progress Report system for students in Pre-Kinder and Kindergarten. This is a different type of progress report that charts a child’s growth along a continuum, instead of comparing a child to other children. Please see your child’s teacher if you have any questions about the progress reports or your child’s achievements. Students in first-fifth grade receive a letter and number report card. The grading is as follows:

<table>
<thead>
<tr>
<th>Academic subjects</th>
<th>Citizenship Traits</th>
</tr>
</thead>
<tbody>
<tr>
<td>90-100</td>
<td>A = excellent</td>
</tr>
<tr>
<td>80-89</td>
<td>B = good; above average</td>
</tr>
<tr>
<td>75-79</td>
<td>C = satisfactory; average</td>
</tr>
<tr>
<td>70-74</td>
<td>D = below average</td>
</tr>
<tr>

</tr>
<tr>
<td></td>
<td>S = Satisfactory</td>
</tr>
<tr>
<td></td>
<td>P = Poor</td>
</tr>
<tr>

<td>U = Unsatisfactory</td>
</tr>
</tbody>
</table>

If a student is not progressing satisfactorily in any grade level, parents are sent preliminary progress report at the midpoint of the grading period and at other times as necessary. Parents must sign and return the reports. Conferencing with the teacher is strongly recommended anytime a student’s progress is affected.
Reports Cards:
A report card will be issued at the end of each six weeks for students in Pre-K through 5 grades. Grading cycle is listed on the Houston ISD website and board policy manual.

In addition, the standards can be viewed online at www.houstonisd.org information will also be sent home with students. Students may also be retained due to excessive absences. Please be sure your child is at school every day.

Hall Passes
To ensure a safe and secure learning environment, students who need to leave the classroom should have permission from the teacher as well as the appropriate hall pass and required identification. Failure to comply with building expectations may result in disciplinary action.

Homework
Homework is an essential part of the learning process in that it provides students with an opportunity to practice and reinforce those skills that have been taught in class. It will also give parents an opportunity to become actively involved in their child’s learning and to be aware of the skills being taught. Usually one hour is the maximum time a child should spend on homework each day. Those in grades K and 1 may require less time completing written work at home while those in upper grades may have a few assignments which require a little more time. Also, in the lower grades, an adult’s signature might be required to validate the night’s reading assignment. Homework will generally be assigned Monday through Thursday. Generally, no homework is assigned on the weekends or holidays; however, exceptions may include special projects and/ or extensive make-up work. Students are encouraged to read for pleasure daily and may be asked to log such reading on the weekend.
Average Homework Times:

- K-1st Grade 10 – 30 minutes daily
- 2nd Grade 25 – 45 minutes daily
- 3rd Grade 20 – 60 minutes daily
- 4th Grade 30 – 60 minutes daily
- 5th Grade 40 – 60 minutes daily

Lost and Found

Many items are carelessly left in the building or on the playground. All unclaimed articles are placed in the lost/found area in the building. These things may be reclaimed upon proper identification. Please properly label any of your child’s possessions that might be misplaced at school. These items may include lunch boxes, coats and sweaters. All unclaimed items are given to charity in December and in May.

Medical Information

For the safety and protection of all students, medication (prescription or over the counter) may not be brought and kept by students to be taken during the school day.

School nurses may administer medication during the school day if a medication has been prescribed for a chronic or ongoing condition.

A school nurse cannot give medication without express orders from a physician. In order for such medication to be dispensed, the physician must complete a form stating the need for the medication and at least one parent must request in writing that the medication be administered during school hours.

Medication must be in the original pharmacy container that shows the child's name and the type of medication.

Students who become ill at school will:
- be sent home if fever is 100 or above
- be sent home if vomiting occurs

For attendance purposes, students who are sent home due to illness will be counted absent for the day if they come to the clinic before 9:25 a.m.

Students must be free of fever without fever-reducing medication (Tylenol, etc.) and/or vomiting for 24 hours before they may return to school.

If necessary, the HISD medication permission form may be requested from the nurse.

Certain communicable diseases require special handling and/or restrictions in conjunction with the school setting. The HISD policy regarding communicable disease control measures is included herein for your information.

The PTO is involved in a variety of events designed to support the school and its endeavors. PTO meetings dates can be found on the school website and will be sent home on the monthly calendar. This is a great opportunity for students to see their parents support their learning community and become involved in their education. Please contact the PTO president for more information or check the school website.

Students are expected to go out for recess each day. Appropriate clothing and shoes should be worn for outside activities. On days when the temperature and/or wind chill is above 20 degrees Fahrenheit and the playground is cleared of snow and ice, there will be outdoor recess. The ADA was amended in 2008.

**Dyslexia**

Dyslexia is a specific learning disability that is neurological in origin. It is characterized by difficulties with accurate and/or fluent word recognition and by poor spelling and decoding abilities. These difficulties typically result from a deficit in the phonological component of language that is often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge (International Dyslexia Association, 2002).

The Houston Independent School District is committed to providing students identified with dyslexia with instruction that is individualized, intensive, and includes phonetic methods and a variety of writing and spelling components as outlined in the Texas Education Agency’s Dyslexia Handbook. To learn more about dyslexia services please visit the Dyslexia Services HISD website.

Visitation to the Classroom
Parents wishing to observe their child in his/her classroom are invited daily from 8:00 a.m. - 2:00 p.m. Parents may only visit classrooms and programs in which their child is enrolled. To avoid a disruption of the educational process, visits shall be restricted to 30 minutes. Arrangements must be made 24 hours in advance prior to your visit with the classroom teacher or campus administrator and approved by the principal. Visitations shall not be permitted when substitute teachers or other long-term teachers are assigned. There shall be no photographs, video or sound recordings permitted. The principal reserves the right to deny visitations that disrupt the educational process. In addition, the principal or designee may opt to accompany visitors to classrooms. The frequency of visitations may be limited by the principal.

Visitors to the Building
We encourage parents and the community to visit our school. When planning to visit, please contact the office at least one day in advance so the building principal can set a schedule. The principal has the discretion to set reasonable parameters on school visits (length of stay, number of visitors, etc.). No visitors are allowed on campus during secure testing such as STAAR administrations or district assessments.

Visitors should limit their visit to the area(s) of the building they have indicated upon check-in with the office. Unauthorized persons found on school property may be subject to arrest or other legal action. Unruly or disruptive conduct by visitors that interferes with the educational environment or with extracurricular activities may result in limited access or revocation of visitor privileges to school property or functions.

Please note that the exterior doors are locked during the school day. Visitors must enter the building using the front doors and report to the office. If a visitor needs to enter the building other than the school office or check out a student, the visitor, including parents, must register by presenting a valid, state-issued ID to the school’s office staff. Visitors entering the school beyond the office must receive a printed ID sticker that must be worn and visible during the entire stay. Please return your pass when leaving the building so that you may be logged out of the system.

NOTE: Anyone other than Ashford students and staff entering the building is considered a visitor and must sign in at the office. This includes district visitors, vendors, contractors, and or parents employed through HISD.

Volunteering at Ashford
Ashford’s volunteers make valuable contributions to our school. Parents, guardians, grandparents, and community friends are encouraged to be volunteers at our school. All interested persons must complete HISD Volunteers in Public Schools (VIPS) registration and background check prior to serving as a volunteer according to district policies. You must go online and register. Additionally, you must present a copy of your ID to the front office where a copy will be made and placed on file. Allow 4 – 6 weeks for the approval process. It is recommended you complete the VIPS registration at the beginning of the school year. Parents
are responsible for updating their status yearly. There is no rollover from year to year. You must go through the volunteer enrollment process each school year.

Volunteers are used in reading programs, in the offices or cafeteria, in the teacher’s workroom to prepare materials for teachers, for field lessons, and with Ashford projects as well as other areas of need. Once cleared through VIPS, sign in at the office upon your arrival and get a Volunteer badge to wear. Always record the amount of time you volunteer. Our goal is to have every parent and family involved in our school!

NOTE: Volunteers may not discuss any confidential information such as student progress or discipline issues of students who are not their own children. Volunteers must follow all district policies and regulations when on campus. Violations of policy can result in the loss of the ability to volunteer.

Walking, Riding Bikes and Riding Skateboards
Ashford Elementary asks that parents discourage their children from riding bicycles, skateboards and/or walking to and from school. Due to safety concerns, skateboards, skates (including shoes with rolling wheels such as “wheelies”) and scooters are not allowed on school property before, during or after school. However, should it become necessary for a student to ride a bike to school, the student must obey the same rules as a motorist, and it is recommended a safety helmet be worn. Students should dismount and walk their bicycles to the approved school site for bicycle parking. It is recommended students use bike locks during school hours. The district and the school are not responsible for the theft of or damage to a bicycle parked on school property.

Withdrawing a Student
Please call the office at least two business days in advance of withdrawing a student from school. Bring the forwarding address and phone number if available. You must provide the name and district of the school your child is going to attend next. Records will be sent to the new school.
Student Behavior / Discipline

Bus Conduct

Students riding a bus should become familiar with the following bus rules, as safety is extremely important for safe transportation. While on a bus, students are directly supervised by the bus driver. Students reported by the bus driver to have violated transportation rules may be deprived of the privilege of riding the school bus by an appropriate school administrator. Additionally, parents and student should be aware that students at a designated bus stop awaiting school transportation or riding a school bus are considered to be engaged in a school-sponsored or school-related activity and are subject to the general rules for the administration of discipline as specified in Code of Student Conduct in addition to potentially losing the privilege of receiving transportation. Students should be at their bus stops 10 minutes before the scheduled pick-up time in a visible location. Buses will load at schools for seven minutes after the designated dismissal time. Once the buses have shut their loading doors to leave the school, students should not approach the buses in order to eliminate the potential of buses striking students.

Bus Rules

Misbehavior on the school bus will result in the student being referred to his/her school administrator for appropriate disciplinary measures, which may include being deprived of the privilege of riding the school bus. A video-monitoring system is used on buses, and the video may be used as a basis for determining disciplinary action. A change in transportation services for a student with a disability for whom transportation is a related service requires ARD committee action. A change in transportation services for a Section 504 student requires Section 504 committee action. For the safety of students, drivers, and other persons, bus drivers have the authority to enforce the rules listed below. Student riders are expected to obey these rules for their safety and welfare:

• Students shall wait in a safe place, clear of traffic and away from where the school bus stops.
• Students shall wait in an orderly manner and avoid horseplay.
• Students shall enter and exit the bus in an orderly manner.
• Students are required to use and securely fasten three-point seat belts, when available, any time the bus is in motion. Students are encouraged to use and securely fasten lap belts, when available, any time the bus is in motion.
• Students shall remain seated in an orderly manner while the bus is in motion and until the bus comes to a complete stop. Students must sit in their assigned seats at all times.
• Bus drivers have the authority to assign seats and/or make seat-assignment changes.
• Students shall not tamper with bus windows, emergency doors, or any other bus equipment.
• Emergency doors and exits will be used in the event of a declared emergency or evacuation drill.
• Students shall keep arms, legs, head, and all personal effects inside the bus and out of the aisle.
• Students shall not mark or deface the bus and/or its equipment. Any damage done to the bus is chargeable to the parent of the student responsible for the damage.
• Students shall not fight, scuffle, throw objects, or possess/use laser pointers inside or outside of the school bus or at the bus stop.
• Students who must cross the roadway before entering or after leaving the school bus shall cross the roadway 10 feet in front of the bus and only after the bus has come to a complete stop and upon direction of the bus driver.
• No one except school personnel, authorized adults, and school children assigned to a particular route or schedule may ride a bus,
unless written permission is received from the appropriate school administrator. • Students shall not eat or drink, including candy and gum, or use any tobacco product while on the bus. • No student shall take or remove from another passenger’s personal effects of any kind. • Students shall use appropriate language while on the bus and shall not engage in conversation or activities considered to be vulgar, abusive, or demeaning. • Students shall wear classroom-acceptable attire while on the bus. • Students are not permitted to leave or board the bus at any location other than the assigned stops at home or school. Should the above rules be broken, students shall be reported to an appropriate school administrator, and discipline may be imposed in accordance with the rules contained in this Code.

CODE OF STUDENT CONDUCT

The Houston Independent School District has established as one of its primary goals the provision of a high-quality educational program for each student in a safe school environment free of disruptions that interfere with the educational process. The purpose of this *Code of Student Conduct* is to inform all school staff, students, and parents of HISD’s expectations regarding behavior and conduct. The Code, reviewed and approved by the HISD Board of Education, is based on the policies of the Board of Education and Administrative Regulations. Administrative Regulations communicates District administrative procedures and practices.

This *Code* was developed to protect the rights of all students by:

- providing a districtwide discipline management plan
- specifying the behavior that is expected of all students
- describing the broad range of student misconduct and providing appropriate disciplinary consequences or options for the various kinds of misconduct
- outlining student rights relating to school
- listing procedures that must be followed when applying consequences

School staff, students, and parents are expected to become familiar with the provisions of the district wide *Code of Student Conduct* and the rules and regulations adopted and implemented by individual schools based on their School-Based Discipline Management System. Students are also expected to abide by the policies set forth in the *Code* so that they can get the most out of their years in school.
