Greetings, Ashford Team.

This is a difficult and heavy message I find myself typing. After much consideration, I have recently accepted a promotion with Houston ISD. That said, it has been a tremendous opportunity to serve and lead Ashford's school community for the past three school years. I have seen stellar growth in all facets at Ashford due to our exceptional team. Our school community will continue excelling when a new principal is selected to lead Ashford ES. The West Division HISD Office will support the transition with the incoming Ashford ES principal. For specific inquiries, interim contacts are noted below.

Dr. Tiffany Napoleon, Ashford ES Assistant Principal Tiffany.Napoleon@houstonisd.org

Dr. April Williams, Executive Director for the Westside Feeder AWILLIAM@houstonisd.org

Thank you,

Kylene Vasquez, Ed.D.
