Demographics

Demographics Summary

The Port Houston Elementary (PHE) community is a well-established family neighborhood that includes a large industrial sector and the Port Houston Authority area.

PHE currently has an enrollment that includes a PALS class, a SLC class, and grades Pre-Kindergarten through Fifth grade. The current enrollment for the school is 270 students. The ethnic makeup is as follows: 95% Hispanic, 2.5% White, and 2.3% African American. Forty-eight percent of the student population is female and 52% is male. The attendance rate is 99% with chronic absenteeism at 3.7%. The mobility rate is 13.5%.

PHE serves a diverse population of students. Sixty-nine percent of our students are Emergent Bilingual (EB). We have 9.8% of our students receiving special education services. In addition, 1.5% are identified as a student with Dyslexia and 1.9% of students have a 504 learning plan. Our gifted and talented program serves 11.7% of our student population.

PHE is a 100% Title I school with 99% of our students identified as economically disadvantaged with 81% identified as At Risk. Port Houston Elementary offers free and reduced lunch to 100% of our students.

PHE has a teacher retention rate of 82%. There are two teachers per grade level, and each grade is either self-contained by language or departmentalized by subject. The campus also has a librarian, art teacher, and PE teacher. The average years of experience is 8.7 years. The average ratio per class is 13.9 to 1.

PHE leadership staff includes the principal, one teacher specialist, one counselor/social worker, and one Wrap Around Specialist. This is the first year for the principal and they are receiving coaching from a district mentor, district leadership cohort, and their school support officer. PHE support staff includes 3 interventionist, 2 teacher assistant, and 6 special education teacher assistants.

Demographics Strengths

The Port Houston community has a variety of partnerships with organizations in the area including Neighbors In Action (NIA), Frost Bank, T-Mobile, and Snow Joe. NIA has a strong commitment to the school and has a community center across the street from the school. NIA assist with back to school drives, food drives, Holiday events, and general assistant with resources needed for our families to provide for their children and better prepare them for learning. Additionally, PHE has a highly involved parent community, and this year established a Parent Teacher Organization (PTO).

Problems of Practice Identifying Demographics Needs

Problem of Practice 1 (Prioritized): Sixty-seven percent of our students are not progressing one or more years in their English Language Proficiency according to TELPAS. Root Cause: Teachers do not have skill set of EB specific learning strategies to use when delivering First Instruction to a group of diverse learners.
Student Learning

Student Learning Summary

For the 2021-2022 school year, Port Houston Elementary's scale score was an 87 which correlated to a "B" rating by Texas Education Agency. The previous scale score was a 76 which was a "C" rating.

Domain 1 Student Achievement's scale score was a 67 and not rated according to Senate Bill 1365. Domain 2 School Progress's scale score was 92 and "A" rated. Domain 3 Closing the Gaps's scale score was 74 and rated a "C". PHE is also identified as a campus that needs targeted support and improvement by TEA.

The following data shows percentages by all subjects accordingly that address Domain 1; Reading 62% at Approaches, 37% at Meets, and 16% at Masters; Math 68% at Approaches, 38% at Meets, and 14% at Masters; and Science 64% at Approaches, 41% at Meets, and 9% at Masters. The following data shows percentages by subjects accordingly that address Domain 2 Academic Growth; 37 Reading points were earned and in Math 61 points were earned. The following data shows how many targets were meet by indicator that address Domain 3 Closing the Gaps; Academic Achievement 3/10, Growth Status 10/10, ELPS Status 0/1, and Student Success Status 2/7.

Port Houston Elementary had 126 EB students take the 2022 TELPAS. Thirty-three percent of those students met their progress measure on TELPAS, falling below the 36% Texas Education Agency target.

PHE is a targeted improvement campus due to a student group missing their targets in at least three indicators, for three consecutive years. The target group is our Hispanic population. The group missed the 37% target in reading for three years in a row with a 28%, 26%, and 36% for the last three years. The group missed the 40% target in math for three years in a row with a 26%, 37%, and 37% for the last three years. Lastly, the group missed the 41% target on the Domain 1 (component score only) for three years in a row with a 38%, 36%, and 28% for the last three years.

PHE's Special Education population data shows percentages by all subjects accordingly that address Domain 1; Reading 64% at Approaches, 64% at Meets, and 0% at Masters and Math 73% at Approaches, 64% at Meets, and 18% at Masters.

Student Learning Strengths

There was a double digit gain on the over all scale score for the school's accountability. The campus met all ten Academic Growth targets. The campus is less than five percentage points from meeting targets in 3 sub groups under Academic Achievement.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1 (Prioritized): Sixty- two percent of our students are falling below the Meets Expectations standard across all subjects in STAAR. Root Cause: Teachers do not have the content knowledge to communicate content effectively and expertise to identify and address misunderstandings.
School Processes & Programs

School Processes & Programs Summary

Port Houston is a neighborhood school and implements the district curriculum. The campus uses a Guided Reading system of instruction for reading language arts and social studies instruction, and Really Great Reading for phonics and phonemic awareness instruction. The 5E model is used for science and math instruction, with STEMscopes and Carolina Science as supplemental pieces.

Port Houston has three programs for our Special Education population. They are Resource, PALS, and SLC Alt.

Port Houston has a Gifted and Talented (GT) program that is embedded in everyday instruction, and provides in school enrichment hour and after school clubs to enhance the learning experiences of or GT students.

School Processes & Programs Strengths

PHE has developed a Targeted Plan for Improvement that aligns to the Effective Schools Framework. The focus is on 1.1 Developing Leaders with effective roles and responsibilities and 5.1 Effective classroom routines and instructional strategies. PHE will utilize the TIP and SIP side by side to increase student achievement and build teacher capacity this year. Additionally, the Multilingual district department supports the develop of English Language Instruction by providing the campus with a Sheltered Instruction Coach and Cohort Learning model to develop Tier 1 Instructional strategies that address a diverse group of learners.

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1 (Prioritized): Student are not given opportunities to practice their language acquisition skills during Tier 1 instruction. Root Cause: Teachers are doing too much talking and not embedded structured conversations and engagement strategies when planning lessons.
**Perceptions**

**Perceptions Summary**

Port Houston is considered a "Gold Status Family Friendly School" through the Houston ISD Family and Community Engagement (FACE) Department. Six times a year PHE provides training for families to learn how to incorporate learning at home or other parenting topics. PHE has two curriculum nights, 2 student performances, and 2 campus wide festivals that encourage families to come to school to build stronger ties to the school in a low stress setting. Additionally, there is a newly created Parent Teacher Organization (PTO) with four officers. PHE has a full time Wrap Around Specialist that has a resource room where families can obtain resources, and a full time social worker that assist students with social emotional skills. The campus also provides enrichment opportunities for students through after school clubs facilitated by teachers. The campus also has a partnership with a local community center, Neighbors in Action.

**Perceptions Strengths**

PHE families are eager to come back to campus, and in the current school year all events have had at least 50% of the families on campus represented. Additionally, several businesses in the area are eager to support PHE’s goal to achieve high academic achievement through resources donations, staff and student culture, and volunteer opportunities.

**Problems of Practice Identifying Perceptions Needs**

**Problem of Practice 1 (Prioritized):** Our families have limited opportunities to learn how to incorporate learning at home. **Root Cause:** COVID restrictions and limited technology have prevented families from coming to face to face events and families do not always have technology available to participate in virtual events.
Priority Problems of Practice

**Problem of Practice 1**: Sixty-seven percent of our students are not progressing one or more years in their English Language Proficiency according to TELPAS.
**Root Cause 1**: Teachers do not have skill set of EB specific learning strategies to use when delivering First Instruction to a group of diverse learners.
**Problem of Practice 1 Areas**: Demographics

**Problem of Practice 2**: Sixty-two percent of our students are falling below the Meets Expectations standard across all subjects in STAAR.
**Root Cause 2**: Teachers do not have the content knowledge to communicate content effectively and expertise to identify and address misunderstandings.
**Problem of Practice 2 Areas**: Student Learning

**Problem of Practice 3**: Student are not given opportunities to practice their language acquisition skills during Tier 1 instruction.
**Root Cause 3**: Teachers are doing too much talking and not embedded structured conversations and engagement strategies when planning lessons.
**Problem of Practice 3 Areas**: School Processes & Programs

**Problem of Practice 4**: Our families have limited opportunities to learn how to incorporate learning at home.
**Root Cause 4**: COVID restrictions and limited technology have prevented families from coming to face to face events and families do not always have technology available to participate in virtual events.
**Problem of Practice 4 Areas**: Perceptions
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

**Student Data: Assessments**
- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results

**Student Data: Student Groups**
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Gifted and talented data
- Dyslexia data

**Student Data: Behavior and Other Indicators**
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Class size averages by grade and subject

**Employee Data**
222 Port Houston Elementary School
Generated by Plan4Learning.com

Board Goals
Revised/Approved: September 12, 2022

**Board Goal 1:** The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

**Goal 1:** The percentage of 3rd grade - 5th grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 14 percentage points from 36% in spring 2022 to 50% in spring 2023.

**Strategic Priorities:**
- Expanding Educational Opportunities

**Measurable Objective 1:** By October 2022, teachers will have in place five strategies focused on meeting the needs of diverse learners during Tier 1 instruction that will lead to 75% of students achieving the Meets level on formative assessments in reading.

**Evaluation Data Sources:** Reading Formative Assessment Data
- Coaching Tracker

Demographics

Problem of Practice 1: Sixty-seven percent of our students are not progressing one or more years in their English Language Proficiency according to TELPAS. Root Cause: Teachers do not have skill set of EB specific learning strategies to use when delivering First Instruction to a group of diverse learners.

Student Learning

Problem of Practice 1: Sixty-two percent of our students are falling below the Meets Expectations standard across all subjects in STAAR. Root Cause: Teachers do not have the content knowledge to communicate content effectively and expertise to identify and address misunderstandings.

Measurable Objective 2: By December 2022, the number of students at or above grade level on the STAAR Interim middle of the year Assessment will be at 50% on all three assessments combined.

Evaluation Data Sources: STAAR Interim Data

Strategy 2 Details

**Strategy 2:** Teachers use a cycle of action planning, individually and during Data Talks to analyze student work, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans for instructional adjustments.

**Strategy’s Expected Result/Impact:** Teachers will use data to drive instruction.

**Staff Responsible for Monitoring:** Principal
Teacher Specialist
Teachers

**Action Steps:**
1. Unpack Standard and Create Exemplar
2. Identify Gap between student work and exemplar by naming the specific student error and misunderstanding
3. Plan the Reteach: design a reteach lesson to address misconception
4. Stand and deliver reteach with real-time feedback, redo portions until practice is strong
5. Write the corrective instruction action plan, including identified gap and dates for reteach, specific students to be addressed, date and method of assessment, follow-up date for reassessment data review

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools

- **Additional Targeted Support Strategy**

**Strategy 3 Details**

**Strategy 3:** Teachers have protected time to collaborate with in-depth conversations about formative and interim student data, effective instructional strategies, and possible adjustments to instructional delivery focused on meeting the needs of all learners.
**Strategy's Expected Result/Impact:** Teachers will use data to drive instruction.

**Staff Responsible for Monitoring:** Principal
Teacher Specialist
Teachers

**Action Steps:**
1. PLCs are scheduled weekly for teacher teams to meet
2. PLC agendas use a common protocol for planning & practice, and data analysis
3. PLC agendas include discussion of formative and interim student data, effective instructional strategies, and possible adjustments to instructional delivery

**Title I:**
2.4, 2.5, 2.6

- **TEA Priorities:**
  Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools

- **Additional Targeted Support Strategy**

Strategy 3 Details

Strategy 3: Teachers have protected time to collaborate with in-depth conversations about formative and interim student data, effective instructional strategies, and possible adjustments to instructional delivery focused on meeting the needs of all learners.

Strategy's Expected Result/Impact: Teachers will use data to drive instruction.

Staff Responsible for Monitoring: Principal
   Teacher Specialist
   Resource Teacher
   Teachers

Action Steps: 1. PLCs are scheduled weekly for teacher teams to meet
   2. PLC agendas use a common protocol for planning & practice, and data analysis
   3. PLC agendas include discussion of formative and interim student data, effective instructional strategies, and possible adjustments to instructional delivery

Title I:
2.4, 2.5, 2.6

- TEA Priorities:
  Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools

Strategy 3: Teachers utilize additional resources to address individual student learning needs for TELPAS assessment.

**Strategy's Expected Result/Impact:** Teachers will use data to drive instruction.

**Staff Responsible for Monitoring:** Principal
- Teacher Specialist
- Sheltered Instruction Coach
- LPAC Coordinator
- Teachers

**Action Steps:**
1. Teachers develop TELPAS targeted lesson plans that include aligned objectives, activities, and exit tickets
2. Teacher develops TELPAS targeted lesson plans that are aligned to the High Priority Standard(s), and all lesson activities are aligned to the summative assessment in rigor and scope
3. Teacher engages students with effective instructional materials and content relevant and responsive to students' background in each content area
4. Teacher collaborates with tutors, support staff, and any other assistance to create effective small group instruction plans

**Title I:**
- 2.4, 2.5, 2.6

**TEA Priorities:**
- Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools

**Additional Targeted Support Strategy**

Board Goal 5: N/A - Additional Campus Goals

Goal 8: COORDINATED HEALTH PROGRAM (ES, MS and K-8 Campuses)
By June 2, the campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

Strategic Priorities:
Expanding Educational Opportunities, Ensuring Student Health, Safety and Well-Being, Transforming Academic Outreach, Increasing Organizational Efficiency

Measurable Objective 1: By January 2023, the campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

Title I, Part A Campus Improvement Plan (CIP) —
Schoolwide and Targeted Assistance

The 3-Elements Campus Improvement Plan (CIP) is specific to your campus. You can obtain the information needed to complete the CIP questions from a variety of sources, including campus administrators/staff and HISD’s External Funding Department.

Campus Name _____________________________________________   Campus Number _________

SPECIAL REVENUE FUNDING GOALS

GOAL AREA: Title I, Part A – 3 Required Elements of Schoolwide Planning – Campus Compliance
NOTE: As a Schoolwide Title I, Part A campus, ESSA Requires the completion of the sections below (campus compliance).

1. Comprehensive Needs Assessment: The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire Campus that takes into account information on the academic achievement of children in relation to the challenging state academic standards, particularly the needs of those children who are failing, or at risk of failing, to meet the challenging state academic standards and any other factors as determined by the Local Educational Agency (LEA).

   • Briefly summarize your campus’s needs as identified in your Comprehensive Needs Assessment. Include a list of the data sources used and a description of the CNA process the campus followed.

   • Indicate the programs and resources that are being purchased out of Title I funds.

   • Indicate the date(s) the CNA was developed or the date(s) the CNA was reviewed or revised.

   ________________________________________________________________

   Continued on next page....
2022-2023 Title I, Part A Campus Improvement Plan (CIP) —
Schoolwide and Targeted Assistance, continued

SPECIAL REVENUE FUNDING GOALS, continued

2. Campus Improvement Plan Requirement (CIP) Schoolwide Plan Development: The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other campus leaders, paraprofessionals present in the campus, and other stakeholders. Campus-specific, schoolwide reform strategies will provide opportunities for all students to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

• List at least four (4) campus-specific, schoolwide reform strategies that will provide opportunities for all students, particularly the needs of those students who are at risk of not meeting the challenging State academic standards to meet the advanced and proficient levels of student achievement. Strategies are based on evidence-based research to increase achievement for each sub-group on state tests.

1. ______________________________________________________________________________
2. ______________________________________________________________________________
3. ______________________________________________________________________________
4. ______________________________________________________________________________

A. Indicate the locations where the CIP is made available. Examples: campus, post office, student handbook, parent meetings, campus website, etc.

B. Indicate how you communicated to parents the location of the CIP. Examples: Campus Messenger, parent meetings, campus newsletters, etc.

C. Indicate the languages in which the CIP was made available.

Continued on next page....
3. Parent and Family Engagement: Campuses shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the following requirements:

Parents shall be notified of the policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. The policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the campus.

Identify at least four (4) strategies specific to your campus to increase Parent and Family Engagement activities.

1. __________________________________________________________________________
2. __________________________________________________________________________
3. __________________________________________________________________________
4. __________________________________________________________________________

A. List the individuals, including roles (parents, teacher, admin, etc.) who assisted with the development of the PFE Policy.

B. Indicate how the Parent and Family Engagement Policy was distributed.

C. Indicate specific languages in which the PFE Policy was distributed.

Continued on next page....
Title I Parent Meetings

Indicate the dates and times of the four required Title I Parent Meetings (each meeting must be offered twice to accommodate parents - eight meetings total).

*Before hiring a CSR teacher, schools must first meet the State’s standards for pupil-teacher ratio (i.e., 1:4 - 22:1; for all other grades, a school must maintain an average of not less than 30:1 based on average daily attendance). After meeting the State’s standards, you may apply for a CSR teacher to meet the District’s recommended standards (i.e., 1:4 - 20:1; grade 5 - 21:1; grades 6-8 - 25:1 or class load of 160 students; grades 9-12 - 30:1 or class load of 160 students).

Rev. 01/13/2022

Be sure to indicate Title I positions on the campus CIP Personnel Chart.

Rev. 01/20/2022
Indicate “Yes” or “No” below if your campus’s Title I funds will be utilized to fund the following items:
