Dear Parents and Students,

Thank you for your patience and support as we navigate through the first couple of weeks of school. Please read below for important information and updates.

Safety and Health

Parents you have done an amazing job at monitoring your child for any covid related symptoms. Please continue to do so. If you see that your child has any symptoms or believe they may have been exposed to someone who is covid positive, we ask that you keep them home and contact our school nurse. The district has set up a temporary online learning platform so that students can continue receiving instruction during their absence. We will continue to enforce mask wearing and adhere to recommended disinfecting procedures.
