

Earth Week Celebration

This year we will be celebrating Earth Day through the week of April 22nd – 26th. Please join us in the celebration of **Earth Week** on the following days.

Monday, April 22nd: Wildlife Conservation – The school will promote the awareness of wildlife conservation.

Uniform: Wear an **ANIMAL print shirt** to bring awareness to habitat destruction.

Tuesday, April 23rd: Tuesday Tree Huggers – Classrooms will take a picture showing appreciation to trees and nature.

Uniform: Student are encouraged to wear a **GREEN shirt** with their uniform pants to show that Lantrip loves nature.

Wednesday, April 24th: WWBB (Wednesday Water Bottle Ban) Students are encouraged to use a reusable plastic water bottle.

Uniform: Student can wear any **BLUE shirt** with their uniform pants to support water conservation and reducing the use of plastic bottles.

Thursday, April 25th: Clean-up Party - Each class will clean a section of their recess area to be stewards of the Earth.

Uniform: Student can wear a **CAMOUFLAGE shirt** with their uniform pants to show stewardship of the Earth.

Friday, April 26th: Lights Out – Classrooms will turn off their electronics and lights off from 2-3pm to reduce carbon dioxide emissions.

Uniform: Student can wear a **BLACK shirt** with their uniform pants as a reminder to turn off your lights when you exit a room.

Earth Week Projects

See your child's homeroom teacher for more information.

Pre-K	Hats (Make a hat using as many recycled items as possible, be creative) to be modeled to the school.
Kinder	Vest (create a vest using as many recycled items as possible, be creative) to be modeled to the school.
1 st Grade	Planter Pot (decorate a recycled can or plastic jar to transform it into a planter pot for growing seeds/plants)
2 nd	Recycled Product (create an object out of recycled materials using aluminum cans, shoe boxes, plastic tops, etc.)
3 rd	A mini model of a greenhouse
4 th	Ocean Project – Students will research and brainstorm a solution to a problem.
5 th	Alternative Energy Project

Please join us on Saturday, April 27th for a viewing of Disney Nature Penguins Movie. Details coming soon.
