*La asistencia importa*

*Attendance Matters*

**A critical indicator of academic success is student attendance. Regular attendance in school is VITAL to your child's current and future educational achievements.** Poor attendance can negatively affect your child's learning; a continual pattern of absences over time will take a toll on your child's progress. Our ultimate goal is to team with parents/guardians to ensure the success of each and every student.

According to the Texas Education Code, a student must be in attendance in order to receive credit or a final promotion in school. Student attendance falling below the established threshold, along with other factors, is strongly considered when deciding to promote a student to the next grade level.

**All absences must have a note, an email to the registrar or teacher.** If there are special circumstances involved in your child's absences, please notify the campus administrator and/or counselor. Resources are often available to assist families in difficult circumstances and your child's administrator and/or counselor can assist you with investigating potential solutions.

**Un factor crítico de éxito académico es la asistencia del estudiante. Asistencia diaria a la escuela es VITAL para los logros educativos presentes y futuros de su hijo/a.** La mala asistencia impacta negativamente el aprendizaje de su hijo/a; un patrón continuo de ausencias puede tener un impacto negativo en el progreso de su hijo. Nuestra última meta es hacer equipo con los padres/tutores para asegurarnos el éxito de cada uno de nuestros estudiantes.

Segun el código educativo de Tejas, los estudiantes deben de asistir a la escuela para poder recibir crédito y grados finales por sus clases. La asistencia que cae por debajo de los niveles establecidos, a parte de otros factores, es un factor determinante para promover a un estudiante al próximo grado.

**Todas las ausencias deben acompañarse con una nota, o mensaje de correo electrónico a la dirección de la escuela o maestra/o.** Si hay alguna situación especial que involucre su hijo/a, por favor notifique a los administradores de la escuela o la consejera. Siempre hay recursos disponibles para asistir a las familias en situaciones difíciles y los administradores y/o la consejera pueden asistir e investigar posibles soluciones.
