

Telehealth visits at home with medical providers

When your child needs care from home, you can **request a physical health visit**, which you and your child can then join on any computer or smart device.

How to request an at-home visit

- 1 Sign up by completing the consent form**
Visit my.hazel.co/houstonisd, click sign up and fill out the form
- 2 Create an account**
Create an account at my.hazel.co/patient/signup
- 3 Request an at-home appointment**
In your account, click **Contact Doctor** and send a message to request an at-home appointment
- 4 Receive visit confirmation from Hazel Health**
The Hazel Health team will schedule a visit and will contact you to confirm the time
- 5 Join the visit**
At the visit time, join the visit through your account or by clicking the link in the text message from Hazel Health

Hazel's doctors, nurse practitioners, and physician associates are experts in the needs of children and teens

Flu or cold

Headache

Allergies

Abdominal pain

Nose bleeds
