**Rams Helping Rams**—Join us as we demonstrate the true spirit of Rogers. We as students, staff, and parents can help create care packages for our PSI/MI students to be given to them and their family members during their hospital stay(s) and/or extended absences at home. We love all our Rams and wish to show how much we love and miss them while they are in the

hospital or away from school for extenuating circumstances. Believe it or not, loose change can add up to real help for our PSI/MI friends. Donate coins to the Rams Helping Rams team. Red drop-off boxes are located throughout the building. They are labeled by grade level, elementary downstairs and middle school upstairs. The grade level that donates the most to our PSI/MI friends will earn a prize. You can also donate items for care packages for our PSI/MI students and their families via the wish lists on the PTO website.
