

How to get to the HUB

It is recommended that a laptop or desktop computer is used to access all school work in order to enable all parts of the application.

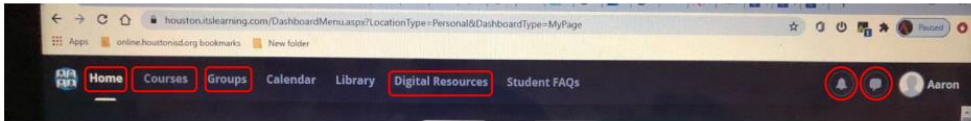

When the page opens, scroll down to find PowerUp HUB

Student Navigation Bar

Click the to go to the corresponding page.

Home - Announcements and tasks for all classes

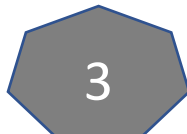

Courses - List of all enrolled classes including their webpages

Groups - Announcements and Events for the School

Digital Resources - Online books and applications

Notifications - Reminders, alert of communications from the teacher, or other timely information like assignments or tasks.

Messages - Instant messaging between the teacher and the students

Courses Tab

Classes that you are enrolled in are listed here. Some teachers may change the name, but it is still the same class. Click the 6th Grade Science class to see the webpage.
