Dear families,

I am writing with important information: There will be no early dismissal during the week of final exams, December 18-21. Our students will be in school each day until our usual dismissal time.

My team and I created exam schedules that will give all students quality time—here, at a quiet place on campus—to study and review what they have learned. We want to set students up for success and think this approach will best support them during final-exam week.

Thank you for everything you do for your student and our teachers and staff. Let's have a great end of the semester!

Sincerely,

Tannisha Gentry,
Principal
