The meeting began at 3:30 with Mrs. Wilmore opening up the meeting. She asked whether there were any celebrations that anyone wanted to announce. Mrs. Wilmore discussed the campus celebrations that had transpired thus far. She informed the committee about how the students and staff celebrated Ms. Wooten for Counselor’s week and Mrs. Bentley for Magnet Coordinator week as well.

Unfinished Business: The committee then began to discuss unfinished business. Ms. Lam discussed how tutorials were still going on and would end May 19, 2023. We discussed the success of the sneaker ball as well as the winter wonderland program. There were lots of parents in attendance for the winter wonderland program that happened during the day. The sneaker ball was also a big hit according to parents and students. We discussed plans for next year. The PTO was able to sell food for the event, but it wasn’t as successful as they thought.

New Business: The committee discussed upcoming events about the campus. The PTO agreed to get breakfast for the teachers for STAAR. The school would provide breakfast for the students each day of the STAAR test to ensure that each child has breakfast. We talked about funding for breakfast as well as snacks for testing. We briefly discussed teacher appreciation week and the things that are planned thus far. Principal Lam spoke and said she would get back with us regarding details as she was working out all the details with Mrs. Broussard.

The meeting ended at 4:00 pm. There were no questions or concerns.
