

Please support Grizzly Giving!

When you join the WBMS community, you become part of a special place where a dynamic and diverse group of students and teachers come together to learn and grow, motivated and inspired by the Grizzly Values of **Integrity, Respect, and Perseverance**. There are many ways to celebrate being a Grizzly Family and to support the school, from volunteering your time to making a financial gift through the Grizzly Giving Campaign.

What is Grizzly Giving? It is West Briar PTO's ONLY fundraiser! We do not hold bake sales or ask our students to sell promotional items (gift wrap, etc.) door to door. Over the years, we have found that fundraising directly from the WBMS community is the best way to raise money for the school – plus, 100% of the funds given go directly to support school projects and programs, which is not the case with most third-party school fundraising programs.

Because of the past generosity of WBMS families, we have been able to fund key non-budgeted projects and programs that enrich and supplement our students' curriculum, and add value to their time at WBMS. The critical funds you have provided have supported technology for classrooms; art, music, library, and physical education resources; special advancement programs; safe and reliable transportation for field trips; important programs and events (such as the school's anti-bullying efforts); and professional development/advanced education opportunities for all WBMS teachers. This year, the PTO is focusing our fundraising efforts on work being done to modernize the school library, which will benefit all students and teachers at WBMS.

We realize that the past year has been one of challenge and change for many of us, but if every family could give \$25 (that is less than 15¢ per day of instruction), we would raise nearly \$20,000 – so every gift is important and very much appreciated!

We are a 501(c)(3) non-profit organization, so all donations are 100% tax deductible.

Many employers have matching programs for charitable contributions – please ask your company Benefits or HR Department for details.
