ZONED OR NOT ZONED?

Thank you for your interest in Westside High School. The first step toward attending Westside High School is to find out if you live within Westside High School's attendance boundary (ZONED), live outside of Westside's attendance boundary but within HISD (NOT ZONED) or if you live out of Houston Independent School District's attendance boundary (OUT OF DISTRICT).

To find out where your student is zoned to attend high school - Click HERE and enter your address in the "Find your neighborhood school" box
