Ms. Mishlan Wins District Award

Congratulations to Ms. Lea Mishlan, Westside's Dean of Instruction, on winning HISD's West Area First-Year Assistant Principal of the Year award.

Ms. Mishlan came to us this year from Pearland ISD and has made an impressive impact at Westside despite the challenges of getting to know a large faculty and a new system and curriculum. Congrats to Ms. Mishlan on being recognized for her achievements.

Lea Mishlan, left, and Principal Stewart.

F.I.R.S.T. Robotics Make Mark at First Outing

By Mr. Resendez

The Westside F.I.R.S.T. Robotics Club members participated in their first district competition over the weekend at Channelview High School. Congratulation on winning the most prestigious award a rookie can get: Rookie All Star! Super proud of the entire team for that award! We struggled at the beginning but with a full team effort were able to come through and

get all the systems working and compete valiantly in the playoffs! The team was picked as the first partner (out of 2) of the 6 seeded alliance. We made it a couple of close matches decided by the endgame, but we're eliminated in the quarterfinals. In addition, we were able to show the judges that we are about more than just building robots and that we are building a successful program and inspiring others!

Band Rakes in 50 First Division Medals

Over 70 Wolf Band students participated in the UIL Solo & Ensemble Contest at Morton Ranch High School this past week. We received over 51 First Division (Highest rating possible) Medals & 22 students have the opportunity to advance to the UIL State Solo & Ensemble Contest in June. Please help us congratulate the following students on their wonderful accomplishments!

U.S. Census 2020

They grow up so fast. Now's your chance to shape their future.

A kindergartener counted in the 2020 Census this spring will be starting high school when the next census comes around in 2030. That's 10 years of school supplies, teachers, school lunches, and so much more. This is your opportunity to help ensure they have a bright future.

Right now, students across the country are getting an introduction to the 2020 Census through the Statistics in Schools program. This program offers free activities and resources to schools to help prepare their students for an increasingly data-driven world.

Students are learning that the 2020 Census is a count of every person who lives in the United States and its territories. Responding to the census helps your community get its fair share of funding. Census data guides how more than \$675 billion in federal funding is distributed to states and communities each year for schools, health care facilities, roads, transportation, recreation centers, social services, and more.

You have the power to shape your future, and the future of all children, by counting everyone in your home in the 2020 Census.

Learn more about how you can shape your future at 2020CENSUS.GOV. Get more information about the Statistics in Schools program at CENSUS.GOV/SCHOOLS.

Students are also learning these key things about the 2020 Census—and we want you to know them too:

- Starting in March 2020, everyone living in your home needs to be counted. That includes children and newborn babies, citizens and noncitizens, relatives and nonrelatives, and even those staying with you temporarily.
- It's easier than ever to respond to the census. You can respond in 13 different languages, and you can complete it online, by phone, or by mail.
- Your responses to the census are safe and secure. The law requires the U.S. Census Bureau to keep your information confidential, and your responses cannot be used against you in any way.

Shape your future
START HERE >

Los niños crecen tan rápido. Ahora es su oportunidad para darle forma a su futuro.

Un niño de kinder que se cuente en el Censo del 2020 estará comenzando la escuela secundaria cuando llegue el próximo censo en el 2030. Eso equivale a 10 años de artículos escolares, maestros, almuerzos escolares y mucho más. Esta es su oportunidad de ayudar a garantizar que los niños tengan un futuro brillante.

En este momento, los estudiantes a través de todo el país están aprendiendo sobre el Censo del 2020 por medio del programa Estadísticas en las Escuelas. Este programa ofrece materiales y recursos gratuitos a las escuelas para ayudar a preparar a los estudiantes a vivir en un mundo cada vez más orientado a los datos.

Los estudiantes están aprendiendo que el Censo del 2020 es el conteo de todas las personas que viven en los Estados Unidos y en sus territorios. Responder al formulario del censo ayuda a que su comunidad reciba los fondos que necesita. Los resultados del censo ayudan a determinar como más de \$675 mil millones en fondos federales se distribuyen cada año a los estados y comunidades para escuelas, clínicas de salud y hospitales, carreteras, transporte público, centros de recreación, servicios sociales y más.

Aprenda más sobre cómo puede ayudar a darle forma a su futuro en 2020CENSUS.GOV/ES. Obtenga más información sobre el programa de Estadísticas en las Escuelas en CENSUS.GOV/SCHOOLS.

Dale forma
a tu futuro
EMPÍEZALO AQUÍ >

Los estudiantes también están aprendiendo estos puntos clave sobre el Censo del 2020, y queremos que usted también los conozca:

- A partir de marzo del 2020, se debe contar a todas las personas que viven en su hogar. Eso incluye a los niños y a los bebés recién nacidos, ciudadanos de los EE. UU. y no ciudadanos, familiares y no familiares, e incluso aquellos que se quedan con usted de manera temporal.
- Es más fácil que nunca responder al censo. Puede responder en 13 idiomas diferentes y puede llenar el formulario por internet, por teléfono o por correo.
- Sus respuestas al censo son seguras y están a salvo. La ley le exige a la Oficina del Censo de los EE. UU. que mantenga su información confidencial y sus respuestas no pueden ser usadas de ninguna manera en su contra.

Usted tiene el poder de darle forma a su futuro y al futuro de nuestros niños al contar a todos en su hogar en el Censo del 2020.

2020 FOUR STAR LEADERSHIP

★★★★★

FOUR STAR LEADERSHIP IS UNIQUE. Students will be challenged with practical leadership and ethical scenarios and then asked to address them individually in a persuasive speech and writing competition as well as collaboratively in an Ethics Bowl competition.

The program includes team-building exercises, spontaneous problem solving and coaching in persuasive speaking and writing. The program is FREE to students.

PREPARING STUDENTS FOR THE FUTURE. Students have an opportunity to earn scholarships, gain internships and invaluable leadership experience. Students who attend Four Star Leadership with General Tommy Franks will have a distinct advantage heading to college and in their early career. Many former attendees have received letters of recommendation to colleges.

PROVEN SUCCESS. Since 2008, Four Star Leadership has welcomed over 600 U.S. high school students from 48 different states as well as 48 international students. Working with a range of leaders, including dignitaries, politicians and star athletes, students have explored critical national and international ethical issues such as education reform, foreign policy and entitlement spending.

Four Star Leadership is a world-class summer leadership program allowing 70 top high school students to have face-to-face experiences with inspirational leaders. **Four Star Leadership 2020 will be held July 12-17 in Oklahoma City.** The deadline for applications is April 20.

FREE, ALL-INCLUSIVE PROGRAM

EXPERT INSTRUCTIONS FROM PROVEN LEADERS. Students have face-to-face experiences with national and international leaders.

EXPERIENCES. Students will visit several halls of leadership including the General Tommy Franks Leadership Institute and Museum, the Oklahoma State Capitol, the Governor's Mansion, The Oklahoma City National Memorial & Museum and more.

ACCOMMODATIONS, MEALS AND TRAVEL. Rooms, meals and transportation are provided at no charge to the participants. Rooms are provided by Oklahoma Christian University and meals are provided and furnished by the generosity of our sponsors. Students will be supervised and cared for by trained, professional adults 24 hours a day.

SCHOLARSHIP OPPORTUNITIES. Students will have the opportunity to earn more than \$30,000 in scholarships, learn life-changing lessons and receive endorsements and recommendations for future leadership positions.

- \$5,000 - First Place Persuasive Speech
- \$2,500 - Second Place Persuasive Speech
- \$5,000 - First Place Journaling

FOUR STAR LEADERSHIP SPEAKERS

Every year Four Star introduces students to dynamic speakers and leaders that are experts in their field. Four Star provides an opportunity for students to engage those presenters in discussion.

While this year's speakers are still being scheduled, past speakers provide a snapshot of the quality of the program:

King Abdullah II, Gov. Mike Huckabee, Gov. Mary Fallin, Sec. Jack Kemp, Gov. Bill Richardson, Judge Napolitano, Sen. James Inhofe, Olympic gold-medalist Michelle Smith, Prozeah Dumas, Martin L. Edman, Karl Rove, Col. Allen West, Dermot Ahern, former Irish minister, Oklahoma Secretary of Agriculture Blayne Arthur, Sen. Stephanie Bice and Lt. Gov. Matt Pinnell.

Students at the 2020 Four Star Leadership with General Tommy Franks program will get to listen and speak to current leaders that are shaping our world.

LEADERSHIP EXPECTATIONS. Four Star Leadership is looking for top high school leaders from around the globe. Attendees should have the ability to build relationships and motivate peers to action. They should be quick on their feet, eager to engage in active dialogue, willing to develop independent ideas and able to communicate effectively.

Students will be asked to:

- Engage national and global leaders
- Collaborate with peers
- Research and debate ethical issues
- Develop creative solutions
- Write and present a persuasive speech
- Communicate through written exercises
- Participate in an Ethics Bowl
- Exhibit the core leadership principles: *Character, Common Vision, Communication and Caring*
