### BOARD GOALS COMMUNITY MEETINGS

Board Goals Community Meeting  
November 13, 2019  
9:30-11 AM  
\$100

School boards represent the vision and values of those they serve. **To hear the voices of the community, the Houston Independent School District Board of Education will be hosting several districtwide meetings to better understand the educational expectations of parents, students, and stakeholders.** We invite all community members to attend and share their thoughts on the student outcomes they believe to be more important.

## Spanish Culture Experience

Mr. Miguel Gusart's Spanish classes created a display in the Westside Commons as part of a Spanish culture project. Día de los Muertos (Day of the Dead) is a multi-day annual Mexican holiday celebrated from October 31st to November 2nd. Families and friends gather together to honor and remember their loved ones who have died.

## AP Human Geography Field Trip

Ms. Steward's AP Human Geography students visited the Painted Churches of Texas near Schulenburg last week. The churches were built by German and Czech newcomers back in the late 1800s. On the outside, the simple structures reflect the small rural towns in which they were built, but when the doors are opened they celebrate the grand art and history of the European homelands of the immigrants. Decorated with brightly-hued paints, murals, and hand-drawn stencils, the interiors are brilliant and dazzling.
