

## Need to Change your Selection of F2F vs. Virtual for Cycle 5? Selection Window Open March 1-March 5

With the fifth six weeks of the 2020-2021 school year approaching, HISD families have the option to revise their selection for either in-person or virtual instruction for students. The first day of the fifth six weeks is March 22.

The selection process remains the same. Parents will have from Monday, March 1, through Friday, March 5, to make their selection through the HISD Connect Parent Portal "Forms" section. If parents would like to keep their selection as-is, no action is needed. The current selected mode of instruction will carry over to the fifth six-weeks grading period. If a change is needed, parents will be able to log in to the HISD Connect Parent Portal and make their new selection. Parents also can contact their child's school to change their selection. Please utilize our helpful step-by-step videos on <u>completing forms</u> or <u>getting</u> <u>started in the Parent Portal</u>

This process ennsures campuses can begin planning for physical space, staffing, and scheduling. Once a selection is made, the choice is valid for the remainder of the school year. There will be one additional opportunity this year when the 6th Cycle approaches to change selection if desired.

### Westside Senior Honored By Touchdown Club

Messiah Farinas, a Westside senior, was recently honored by the Houston Touchdown Club as a Scholar-Athlete Finalist and was awarded a \$500 scholarship.

Messiah is pictured above with Westside's Head Football Coach & Athletic Director, Jomaul Mason, and at left, with his twin sister and fellow Westside Wolf, Havana., at the awards luncheon.

Serving as captain of the football team and playing offense as well as defense, Messiah is a standout among his peers. During his years at Westside he has also been a member of the track team, National Honor Society, HOSA, Black Student Union and Student Council. He will graduate from our Futures Academy of Health Science magnet program this year with an Associates Degree, along with his high school diploma.

Over Spring Break, Messiah plans to visit some of the many colleges at which he has been accepted, including UT Austin, LSU, Iniv. Of Alabama, and Univ. of Oklahoma. He intends to study medicine and become an Anesthesiologist.

Congrats and best of luck to Messiah!

# **Underclass Picture Days!**

Today Until 6 PM & Tomorrow

# Underclass Picture Days are just around the corner!

Legacy Studios will be on campus to take pictures for ALL 9th , 10th, and 11th grade students.

### This is the picture that will appear in the 2021 Westside Yearbook.

Here is the schedule:

### March 2

8:50 AM -3:50 PM During School Day For Face-2-Face Students Only

3:30 - 6:00 PM For Virtual Students

**Location:** Photographers will be set up in the "Vendoland" Hallway ( this is the area leading to the Gyms from the Commons)

### Souper Bowl a Big Success!

Shout out to STUCO, HOSA and WEGA for collecting over 850 lbs of food during Westside's Souper Bowl of Caring.

Students collected food items even as temperatures were starting to drop. Special thanks to Ms. Sarah Castro, PTO President, who helped deliver the food to the West Houston Assistance Ministries.

The timely delivery (before the "Snowmageddon") helped to feed 170 families who were needing food.

Thank you, Wolves!

# Pride Dance Team Makes Us PROUD!

By Ms. Emert

The past few weeks have definitely been hard on so many but I wanted share some good news about Pride! On February 13 we competed at our first competition, and I am beyond excited to announce the fawards:

- Grand Champion Medium team
- 3<sup>rd</sup> runner up overall
- 1<sup>st</sup> place Team Contemporary
- 1<sup>st</sup> place Team Kick
- 2<sup>nd</sup> runner up Team Pom
- Super sweepstake award
- Choreography and Performance award for Team Contemporary
- Choreography award for Team Pom

To say I am beyond proud of these girls is an understatement. In spite of every challenge including cancelled practice and virtual learning, they were able to overcome everything and come together as a team. We head to our state competition March 6<sup>th</sup> so wish us luck!

## Staff Highlight Presented by PTO

### Staff Spotlight of the Week Carolyn Klein

Science Department Environmental Science

**My college experience...** I went into the School of Natural Resources at the University of Michigan to be a forest ranger. It was a smaller college within a huge university, so I had the best of best of both worlds. I'd do it again in a heartbeat! Go Blue!

I have been at Westside for...the whole time! Crazy! From the opening of our new school to hosting Katrina evacuees to celebrating our school's artistic, academic and athletic success, I've been lucky to see it all.

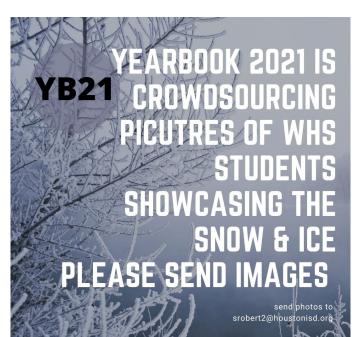

I chose to be an educator because...we all depend on the health of the environment for our collective survival. I choose to believe that people damage the planet because they don't really understand how their actions will affect them in the long run. So how do you fix that misunderstanding? Education!

I love Westside High School because... it's a community. I grew up as an army brat, moving schools and cities (sometimes countries!) every 2–3 years. I didn't have a home town. Westside's community and alumni network are important. Plus, this is an amazing place to teach – if it's good for student learning, teachers are encouraged to try new things. There aren't many schools that encourage teacher creativity.

**My favorite memory from when I was in high school...** lunch with my fellow band geeks and playing D&D with friends. (OK, so that explains a lot about me, eh?)

If I wasn't at Westside, I'd be...Camping, exploring, paddling, travelling! Let's get outside!

### Share Your Ice Storm Photos!

Calling All Wolves! Did you survive the Texas Winter Storm of 2021?

We are crowdsourcing pictures of the Arctic Houston for the **2021 Yearbook.** 

If you have pictures of students in and around the snow & ice, please send them to Ms. Roberts:

srobert2@houstonisd.org

Include the students' names and where the pictures were taken.

Thank you so much, and Go Wolves!

# Black History Month/STEM Display Completed

Despite the building being closed due to the winter storm, N1 and WEGA students were able to finish their STEM Black History Month bulletin board. The final touch was this beautiful portrait of Guion Stewart Bluford Jr., a famous astronaut. This portrait was painted by Joshua Cruz, a sophomore in North 1. Bluford's bio is by Naane Richemond

Guion Stewart Bluford Ir.

### November 22, 1942- Still alive Philadelphia, Pennsylvania, United states

- An American aerospace engineer, retired U.S. Air Force officer and fighter pilot.
- Guion S. Bluford was a decorated Air Force pilot in Vietnam before joining NASA in the late 1970s.
- Logged 115 orbits in 175 hours, in his last space travel
- In 1993, he retired from NASA and the United States Air Force to become the Vice President/General Manager of the Engineering Services Division of NYMA Inc.

# Code2College

# Spring Application Deadline: March 5th

Are you interested in gaining access to college scholarships, paid internship opportunities, free after-school coding and web development instruction and much more? Code2College is a free program focused on providing technical and professional skills development opportunities to high school students. Participants will attend virtual class sessions and will have opportunities to attend virtual workshops to develop their professional skills and learn more about exciting industries like Software Engineering and Data Science. Code2College is offering the following three programs to all newly admitted students this Spring-

#### **Boot Camp**

1. If you want to fast track your coding skills and be able to join our Software Engineering Leadership Class (SELP) this Summer, this is the program for you! Coding Boot Camp is an opportunity for you to learn Python basics from tech professionals and software engineers at a fast pace. During an 8-week session that meets twice a week, you'll be building technical projects and creating your own technical portfolio and gaining the skills required to join our SELP program in the Summer.

#### Web Development Leadership Program (WDLP)

2. Have you ever wanted to build your own website or compete for a paid opportunity to create a professional business website for a sourced client? Then our Web Development Leadership Program is perfect for you! You will have an opportunity to learn HTML and CSS basics on WordPress from tech professionals. During an 8-week session that meets twice a week, you'll have an opportunity to learn client engagement, website development, team-based project management and entrepreneurship.

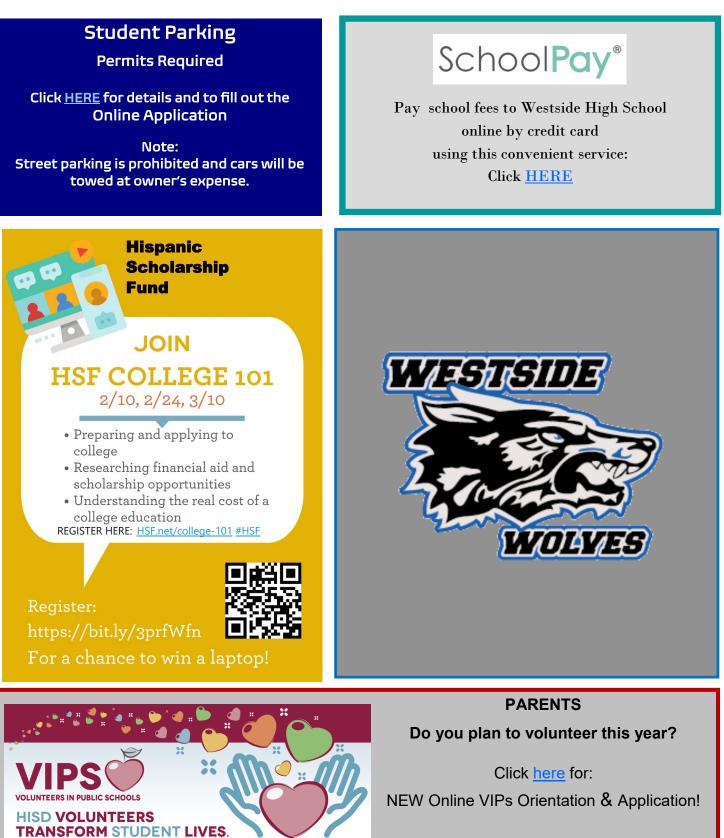

#### Software Engineering Leadership Program (SELP)

3. If you've already taken our Boot Camp or Turbo program and are ready for more challenging coding instruction, then our Software Engineering Leadership Program is perfect for you! The SELP Program gives students an opportunity to learn more advanced Python coding skills from tech professionals. During an 8week session that meets twice a week you'll have an opportunity to build multiple technical projects, get hands on experience coding, and have the opportunity to be selected for the Code2College Elite Internship Preparation Program.

#### Interested?

### If so, APPLY at code2college.org/studentapp/ before Friday, March 5th to be considered.
