Pre-Registration for 9th Grade PSAT, Deadline December 1st

The PSAT 8/9 will be administered for all freshmen on Tuesday, December 15th. This test focuses on skills and knowledge at the heart of education. It measures not only what you learn in school, but also what you need to succeed in college.

Any freshman may register to come to campus to take the test, including both virtual and in-person students. There is no fee to test. Pre-Registration IS REQUIRED by taking this survey, due by 11:59 pm December 1, 2020. Click to pre-register:

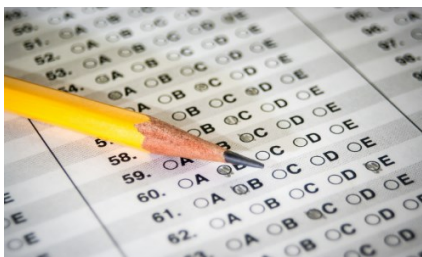

https://docs.google.com/forms/d/e/1FAIpQLSf7TzhtLYgzo3FJytzCcGFpS4tioYN0j1RUomWshPVw6l3UYw/viewform?usp=sf_link .

The PSAT 8/9 is the precursor to the PSAT, and the SAT. Taking this test will

provide insight into the subject areas where you need to make score improvements before you take the PSAT and then the SAT. Based on your scores, you will get personalized SAT study materials through Khan Academy.

On test day, students will need to arrive at school no later than 8:00 AM; testing will conclude at approximately 1:00 pm and students will be released to go home. Please note, there will be no make-up opportunities.

If you have specific questions or concerns, please contact our Testing Coordinator, Ms. Holloway at schandra.holloway@houstonisd.org.

Staff Spotlight of the Week

Tonya Hebert

English Department
AP Lang and English III

Attended the University of New Orleans and graduated with a major in English and History and minor degree in Spanish. I went on to complete my master's degree in Business Administration with a concentration in Human Resource Development. Currently, I am in the dissertation phase of my Doctorate in Global Organizational Leadership with a focus on Emotional Intelligence at Regent University.

I have taught for 4 years on the college level and 2.5 years here at Westside. Prior to teaching at Westside, I taught English I at Westbury High School. I have also taught various business courses at DeVry University and Lone Star College.

The reason I went into education is because I have a passion for teaching. I have spent 21 years teaching in the Corporate Sector as a Corporate Trainer. As a college instructor, I noticed that entering students, often had gaps in learning. When I noticed this was a pattern, I wanted to do something to help students before they entered college.

I love Westside High School because of its diversity. Our school is inviting for students of all cultures and ethnicities. We practice diversity and inclusion on a consistent basis, and we represent what the world looks like. I also love the faculty and staff at Westside. Everyone is always willing to lend a helping hand.

My favorite memory from when I was in high school ... I enjoyed playing the clarinet in my high school marching band. I loved Friday night football games and band competitions. I enjoyed learning the steps to new formations and giving the audience something to look forward to each week!

If I wasn't on staff at Westside High School, I'd be... I would be a commercial airline pilot. I love everything about planes. I had the opportunity to fly a Cessna once during a practice flight and ever since that moment, I wanted to be pilot! Hopefully, that dream will come true some day!

Happy Thanksgiving!
