Spring STAAR Testing

March 29, 2022

Spring STAAR EOC testing will begin in April. We will be administering all exams online, so it is important that your student arrives at school with their charged, school-issued laptop on each test day. HISD laptops are required for each student as they are already equipped with the lockdown browser that is needed for STAAR testing.

To meet graduation requirements, high school students must report for in-person testing and successfully meet standards on English I, English II, Algebra I, Biology, & US History.

More information – including practice tests - can be found here: <https://www.texasassessment.gov/families.html>

Test dates are as follows:

Tuesday, April 5 - English I

Thursday, April 7 - English II

Tuesday, May 3 – US History

Wednesday, May 4 – Biology

Thursday, May 5 – Algebra I

NOTE: If a student has an AP test scheduled on the same day as a STAAR test, the STAAR test must be made up on another day.

Contact our Testing Coordinator, Schandra Holloway, at schandra.holloway@houstonisd.org for additional information.
