A Letter from Herff Jones for Senior Parents: Delayed Graduation Announcements

To our valued customers,

On behalf of the entire Herff Jones team, I want to express our sincere apologies for not delivering announcements to your students in time to celebrate their achievements properly. We understand the disappointment your students are experiencing at the culmination of their education and the frustration this is creating for all involved. I am deeply sorry that our delays have disappointed you, your students, parents, and your faculty.

Whether you choose to accept your announcements following commencement or prefer to cancel your order, we will work closely with our Sales Partners to provide a full refund to parents and students.

We have also arranged an alternative digital photo product to offer to parents and students. Herff Jones will provide \$75 toward the purchase of digital photo products plus free overnight shipping for any product available on <https://www.hjgradshop.com/>.

2022 has presented a unique set of challenges, including supply chain disruptions and labor shortages, that have caused us to fall behind schedule. My leadership team is already laying the groundwork for actions we will implement immediately to ensure we deliver seamlessly going forward. We know that if we want to continue our tradition of celebrating achievement with your school, we must win back your trust. I hope you will give us the opportunity to prove ourselves.

Thank you for all you do each day to take care of your students.

Sincerely,

JEFF BLADE
President, HERFF JONES
