Finish Strong, Wolves!

School News

Congratulations to the Futures Academy of Health Science Class of 2023!

On Friday, May 12, Westside Futures students were awarded their associates of science degrees from Houston Community College. They are college graduates before they are high school graduates!

To earn their degrees, students took classes during the school day, after school, and during the summer. They were in the middle of their first class when the pandemic started and had to pivot to online classes for not only high school, but college, as well. Congratulations to the HCC graduates and the Futures participants!
