### Graduation Safety from HISD's Chief of Police

In keeping with HISD's core value of **student safety**, I want to reiterate the security measures put in place to ensure our ceremonies are safe for our seniors, families, and staff.

- All graduates and guests will be screened using metal detectors and/or security wands, and bags will be checked at venue entrances.
- Although there is not a clear bag policy for graduations, bags will be checked.
- To expedite movement of guests through the lines to enter the facilities, we highly encourage guests to consider not carrying a bag, carry a clear bag, or carry a small-sized bag.
- HISD Police, in partnership with other law enforcement, will be on-hand for safety and traffic control during graduation ceremonies.
- Guests are not allowed to bring weapons, including pocketknives, to the graduation venue.
- Other items such as balloons, signs, noise makers, flowers, and outside food will not be allowed in the venue.
- Guests can bring a clear water bottle as applicable for health needs.
- First Aid stations will be onsite for emergencies.
