Meeting!

All parents are
welcome and
invited to attend!

Dear Parents,

We are excited to be able to meet again IN-PERSON and encourage each of you to attend our first general meeting! Here you will meet the current PTO board members and learn about all of the initiatives we have planned this year! Westside is a great school because of its strong joint parent and teacher commitment to our students. One of the primary functions of the PTO is providing communication to parents about what's going on at school. We need your participation at our meetings so that we can provide that information to you, gather feedback and work together with the Westside staff to keep Westside High School a top performing school! Please join us at our first PTO meeting to find out more information!

We hope to see many of you there!

Ecology Club Loves the Houston Arboretum

Ecology Club recently visited an oasis of Houston's ecosystems located just inside the loop; the Houston Arboretum and Nature Center. Students discovered and explored shady hiking trails, turtle ponds and wildlife. Highlights included getting super close to an armadillo and the nature play space. Interested students are invited to come check out our next adventures in Ecology club. We meet every Thursday 3:30 to 4:30 in V103.
