Region Band News

The weekend of January 12 and 13, five members of the Westside HS Wolf Band represented us in the Texas Music Educators Association All-Region Band clinic and concert for Region 23 (Katy ISD, Alief ISD, Houston ISD). These students prepared audition music back in December and earned a spot in one of 4 performing ensembles, which put on incredible concerts after only 7 hours of rehearsal between Friday afternoon and their performance Saturday evening!

We are incredibly proud of their hard work and dedication to their craft!

Kai Mahone, trumpet - Symphonic Band 1

Maria Bello, bass clarinet - Symphonic Band 2

Luke Castro, percussion - Symphonic Band 2 and Region Orchestra

Liam Mahone, trombone - Symphonic Band 2

Emilie Meiller, flute - 9th Grade Band

If you see any of these students, give them a pat on the back!

College Center Announcements

Financial aid:

FAFSA - While [FAFSA](#) traditionally becomes available every October, due to major changes to the application and website, the 2024-2025 FAFSA application will not be made available until December 2023. An official release date has not been confirmed but colleges across the U.S. are aware of this change. However, the College Center is recommending students to still submit by the original priority deadline of January 15th to be safe. A major change to keep out for is that what was previously known as the "Student Aid Report" will now be shown as "FAFSA Submission Summary."

TASFA – The biggest update to share about [TASFA](#) this year is that it will now available online! Each student and one parent/guardian will create an account and complete the application online and will have the ability to send their completed online TASFA applications to up to 10 schools.

Scholarships:

HISD has provides students with a list of "Hot Scholarships" that are available to them throughout their senior year. The Hot Scholarship list for October-December is accessible through each student Schoollinks account and be found the by following these steps: *Digital Resources > Schoollinks > Finances > Scholarship Matching*

Testing:

SAT for Seniors - There are still several opportunities for seniors to take the SAT and/or ACT this school year! While many schools remain test optional, meaning SAT test scores are not required to be sent as part of the admissions process, a school may still ask for a student's test scores to determine that they are "college ready." To meet this criterion, a student must have scored the following: Evidence-based Reading & Writing: 480 and Math: 530

SAT for Juniors - A major change to the SAT is that starting in March 2024, **all** SAT exams given will be **digital**. Click [here](#) to find upcoming test dates for the 2023-2024 academic year. Juniors will take the School Day SAT in March 2024, and are recommended not to test before then as they will not have covered some material yet.

ACT – Click [here](#) to find upcoming test dates for the 2023-2024 academic year.

College and Career Planning:

- College Center Advisors are currently presenting in all Senior English 4 classes to discuss all things related to the college application process and Schoollinks account setup/utilization.
- Open lab in in the college center is as follows:
 - During lunch
 - Off campus (7th period)
 - After school (on occasions if we're in a classroom presentation throughout the day)
 - On very few occasions, the college center will be closed due to presentations or trainings.

JOIN THE WESTSIDE COLLEGE ADVISORS TO WORK ON YOUR 24-25 FAFSA/TASFA APPLICATION!

2024 FINANCIAL AID ROADSHOW

WHAT TO EXPECT FROM THE WORKSHOP:

- General overview on types of financial aid and eligibility.
- Assistance in creating FSA ID for both student and parent.
- 1 on 1 guidance on FAFSA/TASFA forms with a college advisor and/or editing forms.
- Learn the next steps after submitting!
