## International Festival

Back by popular demand, the International Festival, which was celebrated last week on Friday, was enjoyed by all. Students explored many of the cultures represented at Westside through costumes, music, dance, art and food. Shout out to Student Council for organizing the event and many thanks to all of the students, parents and staff members who shared their cultural heritage. More photos on page 3.

**FRC Robotics:** The WHS FRC Robotics Team, competing under a team alliance as the DISCO BOTS, soared to victory at the recent F.I.R.S.T. Robotics competition held at the M.O. Campbell Center. Despite stiff competition, the team's exemplary display of technical skill and sportsmanship earned them the coveted Gracious Professionalism Award.

Throughout the competition, the team demonstrated unwavering support for fellow participants, readily sharing knowledge and resources to help others succeed. Their commitment to gracious professionalism, a core value of the F.I.R.S.T. Robotics community, resonated with judges and peers alike. Go Wolves!
