School News

Band News: We are excited to share that Liam and Kai Mahone (pictured second and fourth from left) have been accepted as quarterfinalists in the Fischhoff National Chamber Music Competition in May! Congratulations to Liam and Kai and the Clutch City Brass!

Fischhoff is a non-profit arts organization located in South Bend, Indiana, USA. The Fischhoff Annual Chamber Music Competition distinguishes itself from all other music competitions by remaining true to its core mission: to encourage and educate young musicians in the discipline and expression of chamber music. Committed to music education, Fischhoff partners with its distinguished Competition alumni to deliver free, innovative music programs to Michiana's children and youth. Programs are presented in schools, community centers, and after school programs. Through these programs, Fischhoff has served over 104,000 youth in the tri-state region since 1995. On an annual basis, we reach more than 4,000 students, many of whom are at under-resourced and Title 1 schools within our community. Fischhoff's programs give local students first-hand, close-up, personal experiences with some of the finest chamber musicians in the world.

WEGA News: On Friday, March 28, eight WEGA seniors- Dhetchini Adhimoolam, Alhareth Aljanabi, Luke Castro, Micheal Chen, Dyuthi Kamhampati, Alexander Medina, Khoi Nguyen, and Kai Mahone-visited Fluor Corporation to learn about engineering. They got to tour the office, learn about different engineering disciplines, and follow a day in the life of an engineer at Fluor. Special thanks to Fluor for hosting our seniors for the day!
