Testing Information

The Texas English Language Proficiency Assessment System (TELPAS) Test

TELPAS is an assessment program developed by the Texas Education Agency for students in Texas public schools who are learning the English language. Texas annually assesses the English language proficiency of students who have been identified as English learners (ELs) in four language domains—listening, speaking, reading, and writing.

Testing Window: February 19 – March 7, 2025

Audience: Students identified as English learners

Spring TSIA2 Testing available at Westside High School for Seniors

The Texas Success Initiative Assessment 2.0 (TSIA2) is a series of tests for students enrolling in public colleges and universities in Texas. The tests help Texas schools determine whether a student is ready for college-level courses in the areas of reading, writing, and math. Not all Texas college students have to take TSIA2. If your student has met college readiness standards on a standardized test like the SAT, they may be [exempt](#).

NOTE: SAT Scores are available in your student's [College Board](#) account.

SAT School Day

SAT® School Day allows states, districts, and schools to offer juniors the opportunity to take the SAT during their regular school day at their home school, expanding access to a globally recognized college admission test.

- Test Date: **Wednesday, April 2, 2025** Audience: All 11th grade students
- No registration necessary
- FREE
- Students will need a photo ID and their laptop and charger on test day.

He ended his senior year finishing 8th in the State at his weight.

Ramirez ends his incredible season placing 3rd at State. He finishes his senior season with a 37-1 record, his only loss coming in the State semifinals to the eventual State Champion.

This is Ramirez's third consecutive year placing top 3 in the State (3rd, 2nd, 3rd)!
