Dual Credit at Westside for 2022-2023

Want to earn college credit while still in high school?

Westside offers four academic dual credit courses:

- **English:** ENGL 1301/1302 (in place of English 4 – 12th grade)
- **Social Studies:** HIST 1301/1302 (in place of U. S. History – 11th grade)
- **Math:** MATH 1314/1316 (5th year of math; elective)
- **And, NEW FOR 2022-2023, ARTS** 1301/1303 (Art Appreciation and Art History – can count as fine arts credit)

Please click [HERE](#) for more information and to learn about how to qualify and how to apply.

Questions? Contact Dean Matlock at smatlock@houstonisd.org

Deadline Extended to May 20th!

**Laptop Collection:**

**Grade 12:** May 27th, 12:30 pm – 4:00 pm (Library)

**Grades 9-11:** May 31-June 1, 7:30 am – 3:30 pm (during Social Studies class periods in Library)

Good luck on your finals and have a great summer! 😊
On Thursday, May 12th, the Houston Humane Society came to campus with five dogs, as part of their Testing Buddies/ Emotional Support Animals program. This was put on by our school's Social Workers as a way to help students relieve stress after STAAR and AP Testing. The animals were well received by students, and we look forward to having them back on campus some time in the near future!

If you are in need of support and need a place to go to talk, please don’t hesitate to stop by the Student Support Center (SSC), next to the Nurse’s office, to speak with one of the Social Workers (Ms. Hylton, Ms. Laugand or Ms. Williams).

INFORMATIONAL MEETING

Friday, May 27
During Lunch
Field House Classroom

Attention Juniors!
The Posse Scholarship is open!

- GPA of 3.5 or higher?
- looking for opportunities for a full tuition scholarship?

Be sure to check out the Posse Application on the HUB/Class of 2023

All submissions are due by June 3 at 3pm!
Announcements

Take a dual credit computer science course during the 2022-2023 school year.

Westside offers a University of Texas OnRamps Computer Science course. Credit is accepted at all universities.

On Ramps Computer Science

1. Impact
   Learn about how technology affects everything we do by solving the Cyber crime of the century.

2. Programming
   Variables, Loops and Ifs! Learn basic programming concepts then use Scratch to create a game. Anything is possible with programming.

3. Representation
   Explore how computers represent data. Then write a Scratch Program to help Aliens fall in love with Binary.

4. Digital Manipulation
   Learn JavaScript coding skills to create amazing interactive Webapps.

5. Big Data
   Analyze monster data sets! Use modern analysis tools to create dazzling data visualizations.

See Ms. Willett (margaret.willett@houstonisd.org) for more information, N225

Saturday Tutorials

Have Concluded for this School Year!

See you next year!

Job Well Done Class of 2022!
A Letter from Herff Jones for Senior Parents: Delayed Graduation Announcements

To our valued customers,

On behalf of the entire Herff Jones team, I want to express our sincere apologies for not delivering announcements to your students in time to celebrate their achievements properly. We understand the disappointment your students are experiencing at the culmination of their education and the frustration this is creating for all involved. I am deeply sorry that our delays have disappointed you, your students, parents, and your faculty.

Whether you choose to accept your announcements following commencement or prefer to cancel your order, we will work closely with our Sales Partners to provide a full refund to parents and students.

We have also arranged an alternative digital photo product to offer to parents and students. Herff Jones will provide $75 toward the purchase of digital photo products plus free overnight shipping for any product available on https://www.higradshop.com/.

2022 has presented a unique set of challenges, including supply chain disruptions and labor shortages, that have caused us to fall behind schedule. My leadership team is already laying the groundwork for actions we will implement immediately to ensure we deliver seamlessly going forward. We know that if we want to continue our tradition of celebrating achievement with your school, we must win back your trust. I hope you will give us the opportunity to prove ourselves.

Thank you for all you do each day to take care of your students.

Sincerely,

JEFF BLADE
President, HERFF JONES
