Student Information Verification

Dear Westside High School Parent:
This is a friendly reminder to complete the annual Student Information Verification application by Thursday, Dec. 16, to ensure that you continue to receive important updates regarding your child’s education.

The application is available on the HISD Connect Parent Portal at HoustonISD.org/Connect.

The form allows you to verify your home address, phone number, email address, and emergency contacts.

If you indicate that your address has changed, someone from our campus will contact you to obtain an updated statement of residence.

If you haven’t created your HISD Connect Parent Portal account, register now at HoustonISD.org/Connect. Watch this video if you need help with registration.

If you have not set up your HISD Connect Parent Portal account and do not have your student’s access ID, contact us at 281-920-8000.

Thank you for keeping your child’s information current.

Sincerely,
Keri Wittppen
Principal
