UNIVERSITY

Getting Your
Child Ready
for College &
Careers

Save the date! Westside will be a host campus for HISD's fifth and final Parent University workshop of the year on Thursday, March 28. The theme for the evening is "Getting Your Child Ready for College and Careers".

The event takes place in the Commons and begins at 5:30 PM with free dinner and a resource fair. Information will be offered on district programs,

parent engagement, community resources, and how parents can become active partners in the successful education of their children. The session on college and career readiness follows at 6:30 PM.

The event is free, including dinner, and all parents are encouraged to attend. To register to attend, please click [here](#).

Mr. Disch: AP of the Year

Congratulations to Mr. Scott Disch, HISD West Area Assistant Principal of the Year.

Wolves Headed to State HOSA Bowl

Westside's "HOSA—Future Health Professionals" participated in the Area HOSA competition earlier this month in Houston and are advancing several students to State. The HOSA organization develops students' leadership and technical skills as an integral part of Health Science education.

The girls' team, placing second at Area, includes Hanade Abdall, Lori Younes, Maily Key, Mai Younes. The boys' team placed third and includes Nicola Casac-arano, Joshua Hubbard, Chris Loh, Nitin Valisetty. Additionally, Nour Fanari and Pedram Hajykarim are advancing for the Healthcare Issues Exam. Good luck to our Wolves as they prepare to compete at the HOSA State Conference in San Antonio at the end of March!

Baseball Gets the “W” Against Bellaire

In a thriller that ended with a walk-off home run by junior Ty Murray, Westside beat rival Bellaire 5-2 over the break. Lefty junior Zac Schneider started the game off right, pitching 7 innings with 6 strike-outs. Senior Sam Dedivitis kept the momentum going on the mound and got the win.

Softball Gives Back

During Spring Break, Coach Chelsea Boles and the Westside Softball Team took some time to give back to the community. The team participated in a workday at Memorial Ashford Girls Softball Association (MAGSA). Many of the girls were raised playing ball on the MAGSA fields and felt right at home “pitching in” to spruce up the complex, which is located behind Ray K. Daily Elementary. Thanks for representing Westside so well, Ladies!

Say Something: Sandy Hook Promise

In the coming days, Westside will launch the “Say Something: Anonymous Reporting System”. It is offered through the Sandy Hook Promise (SHP) program. Students and staff learn to recognize warning signs of individuals who may pose a threat, and then “say something” to report it. The system empowers students to understand danger signs and gives them tools to seek assistance. Click [here](#) for more details.

Second Annual French Exchange Trip

A group of Westside students travelled with French teacher, Mr. Robert Alexander, to France for the second annual French Exchange Trip. Back in the Fall, our students hosted a group of peers from Lycée Sacré-Coeur in Angers, France here at Westside. The 23 Westside students started Spring Break a bit early and enjoyed a few days of sight-seeing in Paris. Highlights included touring the Louvre, shopping on the Champs Elysees, visiting the Eiffel Tower, and taking a cruise on the Seine.

Last week, our students joined their French friends in Angers as guests in their hosts' homes. They attended classes and experienced a slice of life in a French town, including shopping at the local market with a list from their host family, and attending a bread baking class at a Boulangerie in town.

The Wolves visited an ancient cave village, cheered on Angers at the local soccer matches, and toured a goat farm (and tasted the milk and cheese produced there). They wrapped up in Normandy, taking in the monuments and cemetery at the site of the WWII invasion. See you back here soon, Wolves!
